Cheryl Butler, Attorney, Trademark Trial and Appeal Board:

On August 11, 2011, respondent filed a proposed amendment to its Registration No. 3334648, with petitioner's consent.

By the proposed amendment respondent seeks to change the identification of goods **from** "preserved vegetables and preserved fruits" **to** "preserved vegetables and preserved fruits excluding Filipino-style sweet preserves and preserved fruit spreads."

Inasmuch as the amendment complies with all of the procedural requirements of Trademark Rule 2.173, it is clearly limiting in nature, and petitioner consents thereto, it is approved. See Trademark Rule 2.133(a).

The amendment will be forwarded to the Post Registration Branch of this Office for appropriate action in accordance with Section 7(e) of the Trademark Act.

Proceedings are suspended and, except for entry of the amendment, remain suspended in accordance with the parties' request. The parties indicate that, contingent upon petitioner's pending application being approved for publication, a withdrawal of the petition to cancel will be filed.
