Cowl Induction

OEM Style Reproduction of Original!

1969 Basic Cowl Induction Air Cleaner

Reproduction of the original cowl induction air cleaner including correct black lid, base, and filter. This air cleaner is a direct replacement for the original Cowl Induction style air cleaner optional on 1969 Camaros with 302 (Z-28), SS 350, SS-396 427 (ZL-1) or Iron Block 427 (COPO 9561) Camaros. This option was also included on other dealership performance specials such as Yenko, Berger, Dana, Nickey or Baldwin- Motion. The air cleaner requires a cowl induction hood for correct installation. This air cleaner does not include the extension or the flange. See part numbers C671 or C672 below for cowl induction air cleaners which include these items. *Note: Air cleaner extension flange and hood seal are available separately. Valve cover to air cleaner elbow and hose must be purchased separately, see valve cover section for correct elbow and hose application. Also may be used on 1967-1968 Camaros with a cowl induction hood.*

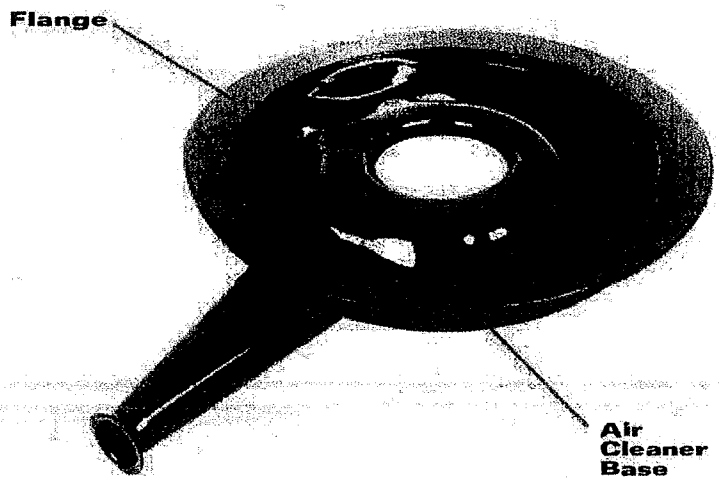
The air cleaner base, filter, lid, air cleaner to hood extension and flange!



1969 Cowl Induction Air Cleaner with Extension and Flange

Reproduction of the original cowl induction air cleaner including correct black lid, base, filter, air cleaner to flange extension and the flange. The extension for a 302 is shorter than the extension on the 350. This was due to a high rise intake manifold which was factory installed on all 302 (Z-28) engines. This air cleaner is a direct replacement for the original Cowl Induction style air cleaner which was optional on 1969 Camaros with 302 (Z-28), or SS-350 engines.

Note: This air cleaner does not include the air cleaner flange to hood seal (available separately) Valve cover to air cleaner elbow and hose must be purchased separately, see valve cover section for correct elbow and hose application. Also may be used on 67-68 Camaros with a cowl induction hood. Big block air cleaner does not include an extension since its not required.

CAMARO

Cowl Induction System

The ultimate in cowl induction replacement. Classic Industries offers a complete reproduction of the original cowl induction air cleaner package for 1969 Camaros. Each kit is offered for the original engine assembly and includes the correct parts for each application. This air cleaner is a direct replacement for the original cowl induction style air cleaner which includes everything you need to completely install a functional cowl induction system. The original cowl induction style air cleaner system was optional on 1969 Camaros with 302 (Z-28), SS-350, SS-396, 427 (ZL-1) or the Cast Iron Block 427/425hp (COPO 9561) Camaros. The cowl induction system was also installed on dealership performance specials such as Yenko, Berger, Dana, Nickey or Baldwin-Motion. This air cleaner system requires a cowl induction hood to complete a fully functional system along with correct installation. Be sure to choose the correct kit for your year and model. Contact our sales department for more information.

Note: The cowl induction system requires a cowl induction hood for installation. If your Camaro wasn't originally equipped with a cowl hood, you can install the correct hood and add the cowl induction system to your vehicle. Also may be used on 1962-1968 Camaros with an owner installed cowl induction hood. Some items included in kit are not shown.
