v.

Wala Industries, Inc.

Clara Vela, Paralegal Specialist:

On May 13, 2013, petitioner filed a consented motion for an extension of discovery and trial dates.

Petitioner is advised that its motion fails to include detailed information regarding the progress of the parties' settlement negotiations as required by the Board's order dated September September 12, 2011.

In view thereof, the requested extension is denied without prejudice. The parties are reminded that any future motion(s) to suspend or extend must demonstrate good cause therefore through a progress report, as required in the September 12, 2011 order.

Trial dates remain as set in the Board's order dated March 14, 2013.
