v.

Wala Industries, Inc.

Nicole Thier, Paralegal Specialist:

Opposer's consented motion filed May 13, 2014 for an extension of discovery and trial dates is noted.

However, the parties were informed in the Board's September 12, 2011 order that no further extension or suspension requests would be granted in the absence of a detailed progress report on the status of their negotiations.

Accordingly, opposer's motion is hereby denied without prejudice. Trial dates remain as set.¹

¹The parties' previous requests for extensions of time were granted automatically via the ESTTA online filing system in error without the proper progress report included.
