STATEMENT FOR GROUNDS FOR CANCELLATION OF
TRADEMARK REGISTRATION NO. 2087314 FOR DIAMOND

The subject mark is no longer being used by the current owner on the goods as registered. Searches on the owner's various websites as of the date of this cancellation filing, have failed to show any products being offered for sale under the subject mark by itself.

Further, it has come to petitioner's attention that the subject mark has not been offered for sale since, the current owner's acquisition of the company that previously owned the mark.

Lastly, catalogs from 2007 and 2009 do not list any goods covered by the mark for sale either singularly or as a set.

Therefore, the subject mark has been abandoned for non-use, and the petitioner seeks cancellation of the registration pursuant to 15 USC section 1127.
