Dear Sirs!

The undersigned Ferenc Molnár, general manager of ILCI Szépítő Füvek Biokozmetikai Kft (registered seat: 1021 Budapest, Üdülő út 37., Hungary, hereinafter referred to as the "Petitioner") - considering the withdrawal of the Petitioner's former counsel - hereby state that the Petitioner chooses to represent itself in cancellation actions No. 92052988 and 92053021. Please inform us about your decision in both cases (No. 92052988 and 92053021).

Considering the fact that Petitioner has only received the Honored Board's note regarding just one of the above mentioned cancellation procedures up today, and to the fact that the representative of the Petitioner was not in the position to answer in time since the deadline therefore was quite short, the Petitioner hereby requests the Honored Board to consider its delay in responding as excused regarding both cancellation procedures.

Thank you for your understanding and kind contribution.
