Mailed: March 29, 2012

Cancellation No. **92053454**

Everclear Communications, Inc.

v.

Facebook, Inc.

On December 7, 2011, the Board granted respondent's motion to dismiss the petition for cancellation and allowed petitioner time to file an amended petition for cancellation, failing which this proceeding would be dismissed with prejudice.

Inasmuch as an amended petition for cancellation has not been received, the petition to cancel is **DISMISSED** with prejudice.
