**PETITIONER’S FOURTH REPORT ON SETTLEMENT PROGRESS**

During the current extension, the parties have taken further actions in settlement discussions. Petitioner received Registrant’s comments to the settlement agreement on January 3, 2014. Petitioner is in the process of reviewing the proposed comments. The parties respectfully request a 30 day extension of time.

Issues that have been resolved.

As stated in Petitioner’s first Report, the parties agreed in principle to resolve this dispute by entering into a co-existence agreement by which the Registrant agreed to revise its logo design, which is implicated in this proceeding because the specimen of use submitted by Registrant displays the logo design on the product. As stated in Petitioner’s second Report, an agreement is being finalized by the parties.

Issues that remain to be resolved.

The parties are currently negotiating the remaining terms of the co-existence agreement.

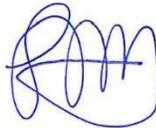

A firm timetable for resolution.

Barring any extraordinary issues, the parties intend to resolve this matter by February 24, 2013.

Respectfully Submitted,

Dated: January 22, 2014
