v.

VGO Communications, Inc.

**Nicole Thier, Paralegal Specialist:**

Petitioner's consented motion filed February 21, 2014 to extend disclosure, discovery and trial dates is noted.

However the parties were informed in the Board's September 25, 2013 order and reminded again in its January 24, 2014 order that no further extension or suspension requests would be granted in the absence of a detailed progress report on the status of their negotiations.

Accordingly, petitioner's motion is denied. Trial dates remain as previously set.
