v.

VGO Communications, Inc.

**Nicole Thier, Paralegal Specialist:**

It has come to the attention of the Board that petitioner's February 26, 2014 request to reopen and extend discovery and trial dates contained an error in its proposed trial schedule which was set forth in both its February 21, 2014 and February 26, 2014 requests.

In such requests, petitioner inadvertently included trial dates for a counterclaim, however, no counterclaim is currently involved in this proceeding. Accordingly, the Board corrected this error in its March 28, 2014 trial schedule. Dates remain as set forth in the Board's March 28, 2014 order.
