v.

VGO Communications, Inc.

Jennifer Krisp, Interlocutory Attorney:

Proceedings are suspended pending disposition of petitioner's November 8, 2014 motion for summary judgment. Any paper filed during the pendency of this motion which is not relevant thereto will be given no consideration.¹ *See* Trademark Rule 2.127(d).

In addition to tolling the time to respond to outstanding discovery requests, suspension of proceedings tolls the time for parties to make required disclosures. *See* TBMP § 528.03.

The motion for summary judgment will be decided in due course.²

¹ The Board regrets the late issuance of this suspension order.

² The Board notes that petitioner also filed a motion to compel discovery on November 7, 2014, and that the parties briefed the motion to compel. The Board defers consideration of the motion to compel. In the event that the Board's determination of the motion for summary judgment does not dispose of this proceeding, the Board will allow petitioner time in which to renew its motion to compel, as appropriate.
