v.

Sleep Innovations, Inc.

**Cheryl S. Goodman, Interlocutory Attorney:**

After denial of the parties' cross-motions for summary judgment, proceedings remained suspended to allow the parties time to determine whether they would proceed via accelerated case resolution (ACR). On May 31, 2013, respondent filed a motion to amend its answer. On June 12, 2013, petitioner filed a motion to resume proceedings advising that the parties did not agree to proceed via ACR.

In view of the motion to amend, proceedings remain suspended pending disposition of the motion. After consideration of the motion to amend, proceedings will resume, with trial dates reset.

Any paper filed during the pendency of this motion which is not relevant thereto will be given no consideration. See Trademark Rule 2.127(d).
