Mr. Timothy Pitka

v.

Hal Greene

**Cheryl S. Goodman, Interlocutory Attorney:**

On August 20, 2012, the Board granted respondent's motion for relief from judgment and reset all dates.

On August 24, 2012, a Commissioner's order was entered in error cancelling Registration No. 3088340, and the Board proceeding showed terminated status.

On September 18, 2012, respondent filed a renewed motion for relief from judgment referencing its February 9, 2012 filings, and on September 21, 2012 Registration No. 3088340 was reinstated.

Inasmuch as the Board already ruled on the motion for relief from judgment, renewal of the motion is unnecessary, and therefore the renewed motion will be given no consideration.

Dates remain as reset in the order issued August 20, 2012. The Board presumes the parties are proceeding under the current schedule.
