v.

Solid 21 Incorporated

Ellen Yowell, Paralegal Specialist:

On June 8, 2016, Petitioner filed a stipulation to suspend proceedings pending resolution of the civil action. The Board has been notified that the civil action which occasioned the suspension of this proceeding is still pending.

Accordingly, proceedings remain suspended pending final determination of the civil action. *See* Trademark Rule 2.117(a).

Within twenty days after such final determination, the parties shall notify the Board so that this proceeding may be called up for appropriate action.¹ Such notification to the Board should include a copy of any final order or final judgment which issued in the civil action.

¹ A proceeding is considered to have been finally determined when a decision on the merits of the case (*i.e.*, a dispositive ruling that ends litigation on the merits) has been rendered, and no appeal has been filed therefrom, or all appeals filed have been decided. *See* TBMP § 510.02(b).

During the suspension period, the parties shall notify the Board of any address changes for the parties or their attorneys. ²

² Petitioner's revocation and appointment of attorney filed June 8, 2016 is noted. The Board's record has been updated accordingly.
