**UNOPPOSED MOTION FOR EXTENSION OF TIME TO FILE INITIAL  
DISCLOSURES**

J&M Patent Designs Corp. (“Registrant”) hereby moves for an extension of time for the parties to file initial disclosures.

Registrant’s representative and Petitioner’s counsel timely held their discovery conference on November 21, 2011. In their discussions, Registrant’s representative advised that she needed an extension of time to provide initial disclosures due to scheduled surgery and a needed recovery period. Petitioner’s counsel did not oppose this extension and the parties agreed that a new deadline for initial disclosures by both parties of January 30, 2012 would be acceptable and would not require extensions of any other deadlines. .

Accordingly, Registrant makes this petition for the extension of the deadline for Initial Disclosures until January 30, 2012.

Dated: November 21, 2011

Respectfully submitted,

/Melissa D. Ulrich/
