v.

Douglas Burda

Elizabeth A. Dunn, Attorney (571-272-4267):

On June 6, 2012, at the request of respondent Douglas Burda, Board attorney Elizabeth Dunn met with the parties by phone to discuss whether a paper could be filed.¹ Shortly before the scheduled conference, respondent sent a proposed draft to petitioner and Ms. Dunn. During the conference, because the filing could dispose of this proceeding, the Board authorized Mr. Burda to file either of two versions of the paper before June 25, 2012.

Dates otherwise remain as set by the Board's May 10, 2012 order.

¹ Pursuant to the Board's May 10, 2012 order, filings were barred for forty-five days, or until June 25, 2012, "absent extraordinary circumstances." The order specified that the party seeking to file within that period must arrange a phone conference in which to obtain the Board's authorization.
