U&Me Beverage Company

v.

Jean-Paul Lissock

This serves to modify the Board's January 19, 2012 order. The phrase "the petition for cancellation is granted, and Registration No. 3639913 will be cancelled in due course" should be "the petition for cancellation is granted, and no further action will be taken in light of the transmittal from the International Bureau (IB) of the notification of death of international registration recorded in the record of the Registration No. 3639913 on December 15, 2011."
