Veronica P. White, Paralegal Specialist:

In view of the parties' settlement discussions, petitioner's consented motion (filed January 13, 2015) to further extend the close of discovery and trial dates is granted for good cause shown. Trademark Rule 2.127(a).

The Board notes that petitioner's submission of the consented motion for an extension of time was filed using the ESTTA consented motion option. Petitioner was reminded in the Board's order issued December 10, 2014, that due to the requirement for a progress report, the parties can no longer use the ESTTA consented motion form to file future motions to suspend or extend instead use the general filings option. Nonetheless, petitioner is reminded again *that the use of the ESTTA consented motion form for purposes of filing a status report is not appropriate and the parties are, thus, required to submit a more detailed report in a motion using the*

ESTTA general filings option in any future motion to extend trial dates or to suspend this proceeding. Absent such a report in this manner, any future motion to extend or suspend may be denied, even if agreed to by the parties. Furthermore, if the parties file a motion to extend or suspend these dates, the motion should set forth the proposed dates in the format shown in this order.

Trial dates are reset as follows.
