v.

Cynthia English
dba Great Dates

**Robert H. Coggins,
Interlocutory Attorney:**

On February 14, 2012, the Board entered notice of default against respondent and allowed her time in which to show cause why judgment should not be entered against her for failure to answer or otherwise respond to the petition to cancel.

Respondent then filed (on February 29, 2012) a consented motion to extend her time to file an answer, concurrently with an answer and a motion to reopen time to answer.¹

In view of the consented motion to reopen and the concurrently filed answer, the Board finds good cause to set aside the notice of default and accept the concurrently filed

¹ Although the motion to extend lists inaccurate dates -for example, it states that, when filed, answer was due February 29, 2012; however, answer was due January 28, 2012, and that date had not been extended by the Board- it was filed as an ESTTA consent motion form and was therefore automatically granted by ESTTA immediately after filing. In view thereof, the Board resets dates, *infra*.

answer. Accordingly, the motion to reopen is granted, the show cause order is discharged, and respondent's answer is noted.

The automatically-generated ESTTA order granting respondent's February 29, 2012 motion to extend is modified to the extent that dates are reset on the following schedule.
