Respondent's consented motion (filed December 22, 2015) to further extend discovery and trial dates for 90-days is granted as modified.

***Progress Report Required for Any Further Motions to Extend or Suspend for Settlement***

In the event that the parties seek further extensions of time or periods of suspension to facilitate settlement discussions, the parties must support such a request with a detailed report on the progress of their settlement discussions. This report must set forth, at a minimum, **1) all dates on which the parties communicated, and the method of each communication (e.g. telephone, email, in-person meeting), 2) the general nature of each communication, 3) the issues that have been resolved, 4) the issues that remain to be resolved or that remain for trial, and 5) a proposed timetable for resolution of the unresolved issues.** Appropriately designated confidential information or materials

may be filed under seal and will be barred from public viewing. *See* Trademark Rule 2.126(c); TBMP §§ 120.02 and 502.02(c) (2015).

Due to the requirement for a progress report, the *parties can no longer use the ESTTA “consent motions” option to file future motions to extend or suspend instead use the “general filings” option. Furthermore, if the parties file a motion to extend or suspend these dates, the motion should set forth the proposed dates in the format shown in this order.*

Absent a progress report as required above, a motion to extend or suspend may be denied, even if consented to by the parties. If the Board denies such a motion, dates may remain as previously set. *See* TBMP § 509.01(a).
