Mailed: June 5, 2012

Cancellation No. 92055078

Bose Corporation

v.

Miccus Inc.

On May 23, 2012, the parties filed registrant's proposed amendment to its Registration No. 3876628, with petitioner's consent, and petitioner's withdrawal without prejudice of the petition to cancel, contingent upon entry of the amendment.

By the proposed amendment registrant seeks to change the identification of goods **from** "Audio headphones; Audio speakers; Consumer electronic products, namely, audio amplifiers, audio speakers, audio receivers, electrical audio and speaker cables and connectors, home theater systems, audio decoders, video decoders, speakers, power conversion devices, power converters, and power inverters; Power supply connectors and adaptors for use with portable electronic devices; Wireless receivers and transmitters for portable media players; Wireless transmitters and receivers " **to** "Power supply connectors and adaptors for use with portable electronics;

wireless receivers and transmitters for portable media player;
wireless transmitters and receivers."

Inasmuch as the amendment complies with all of the procedural requirements of Trademark Rule 2.173, it is clearly limiting in nature, and petitioner consents thereto, it is approved. See Trademark Rule 2.133(a).

The amendment will be forwarded to the Post Registration Branch of this Office for appropriate action in accordance with Section 7(e) of the Trademark Act.

The contingency in petitioner's withdrawal having now been met, the petition to cancel is dismissed with prejudice.
