Colosseum Athletics
Corporation

v.

Colloseum Holding AG

On April 25, 2012, respondent filed a voluntary surrender under Section 7(e) of the Trademark Act of its Registration No. 3835136.

Trademark Rule 2.134(a) provides that if the respondent in a cancellation proceeding applies to cancel its involved registration under Section 7(e) without the written consent of every adverse party to the proceeding, judgment shall be entered against respondent.

In view thereof, and because petitioner's written consent to the voluntary surrender is not of record, judgment is hereby entered against respondent, the petition to cancel is granted in classes 25 and 35, and Registration No. 3835136

Cancellation No. 92055086

will be cancelled in due course in classes 25 and 35.¹

*By the Trademark Trial
and Appeal Board*

¹It is noted by the Board that only classes 25 and 35 are a party to this instant cancellation proceeding. If respondent wishes to surrender the remaining classes in Registration No. 3835136, it should file the appropriate surrender under Section 7(e) with the Post Registration division of the office.
