v.

Linda S Parry

Cheryl S. Goodman, Interlocutory Attorney:

This order serves to further clarify the Board's June 28, 2012, Board order.

On June 17, 2012, respondent filed an answer and counterclaim to the petition to cancel, and paid a fee via ESTTA. While it is unclear what registration respondent seeks to cancel in its "counterclaim" as it has not specifically identified the mark or registration number in its pleading, to the extent that respondent seeks to cancel petitioner's pleaded applications, such a claim is premature.

The only available counterclaim the Board may entertain is a counterclaim for cancellation of a registration against a party. TBMP Section 313 (3d ed. rev. 2012).

As petitioner is not the owner of any registrations, a counterclaim presently is not available.

Cancellation No. 92055576

Accordingly, dates remain as set in the Board's institution order.
