Maggy London

**Rochelle Adams, Paralegal Specialist:**

Petitioner's consented motion filed February 7, 2014 to suspend this proceeding for an additional thirty days while the parties finalize settlement talks are noted and the motion is granted.

Inasmuch as petitioner has provided the Board with an updated report of the parties' settlement discussions as previously required, the parties are reminded that there is a continuing obligation to provide good cause in the form of detailed progress reports for any further extension or suspension request filed by the parties, even if consented to by both parties.

Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out in the February 7, 2014 motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
