**CONSENTED MOTION FOR FURTHER SUSPENSION FOR SETTLEMENT
WITH REPORT**

The parties are actively engaged in continued negotiations for settlement of this matter. Registrant Maggy London International, Ltd. ("Registrant") hereby requests that the Board further suspend this proceeding for ninety (90) days pursuant to the schedule below in order to allow the parties to resolve this cancellation. The parties have a written settlement agreement, which both parties have signed. Included with that settlement agreement is a Letter of Consent concerning the registrations of Registrant and Petitioner's Application Serial No. 85/252,881 for MUSE in Class 25. Petitioner has filed that Letter of Consent along with a Request for Remand of its application. On January 29, 2015 the Examining Attorney handling Petitioner's application issued an Office action requiring submission of additional information, which Petitioner will submit. Petitioner therefore needs time for its submission to be considered and approved by the Office. The parties therefore submit that there is good cause for a further suspension. The parties are available

to provide additional information on status as needed by the paralegal specialist in order to grant this motion.
