v.

Malcolm & Co. LLC

On October 12, 2012, the Board sent a notice of default to respondent because no answer had been filed.

The record shows that registrant's mail was returned by Postal Service as undeliverable, and the Office has made attempts to get a more current address for registrant, but was unsuccessful. It is registrant's responsibility to keep this Office apprised of its current address.

Accordingly, judgment by default is hereby entered against respondent, the petition to cancel is granted, and Registration No. 3232587 will be cancelled in due course. See Fed. R. Civ. P. 55, and Trademark Rule 2.114(a).
