v.

3D Systems, Inc.

**George C. Pologeorgis,
Interlocutory Attorney:**

Respondent's motions (filed November 14, 2013 and December 18, 2013) to extend respondent's time up to, and including, January 17, 2014 in which to respond to petitioner's first set of interrogatories and first set of document requests is **GRANTED** as conceded. Trademark Rule 2.127. Accordingly, respondent's responses to the above-identified written discovery were due by January 17, 2014.

Further, petitioner's motion (filed December 12, 2013) to extend trial dates and to extend its time to respond to respondent's written discovery requests by forty days is also **GRANTED** as conceded.¹ Trademark Rule 2.127.

In view thereof, petitioner's responses to respondent's already-served written discovery were due by January 25, 2014.

¹ Petitioner's responses to respondent's written discovery were originally due by December 16, 2013.

As a final matter, the Board finds that it has provided the parties ample time in which to respond to written discovery that has already been served. Accordingly, the Board will not entertain any further requests to extend time to respond to written discovery already served, unless consented to by the parties.
