Cancellation No. 92056509

*Autodesk, Inc.*

v.

*3D Systems, Inc.*

**George C. Pologeorgis,  
Interlocutory Attorney:**

On June 9, 2015, Respondent filed a renewed proposed amendment to its Registration No. 4125612, with Petitioner's written consent.<sup>1</sup>

By the proposed amendment Respondent seeks to amend its involved Registration No. 4125612 so as to delete the goods identified in International Class 9. The Board notes that Office records indicated that Respondent has submitted the appropriate filing fee for the proposed amendment.

Although the Board finds that the amendment is limiting in nature and that Petitioner has provided its written consent to the amendment, the proposed amendment still does not comply with Trademark Rule 2.173(b)(2) because Respondent has failed to submit a declaration under Trademark Rule 2.20 verifying or supporting the proposed amendment.

---

<sup>1</sup> In light of this renewed proposed amendment, Respondent's consented motion to amend its registration filed on June 5, 2015 will be given no further consideration.

**Cancellation No. 92056509**

In view thereof, Respondent is allowed until July 20, 2015 in which to submit a declaration under Trademark Rule 2.20 signed by an officer or other authorized representative of Respondent which verifies the amendment,<sup>2</sup> failing which Respondent's proposed amendment filed on June 9, 2015 will be given no further consideration.

Proceedings are otherwise suspended pending Respondent's response to this order.<sup>3</sup>

---

<sup>2</sup> A declaration under Trademark Rule 2.20 should read as follows:

The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true; and all statements made on information and belief are believed to be true.

<sup>3</sup> In light of this order, consideration of Petitioner's motion to quash filed on June 3, 2015 is hereby deferred. In the event Respondent fails to respond to this order within the time allotted, the Board will reset Respondent's time in which to respond to Petitioner's motion to quash.
