Cancellation No. 92056509

*Autodesk, Inc.*

v.

*3D Systems, Inc.*

**George C. Pologeorgis,  
Interlocutory Attorney:**

On July 8, 2015, Respondent was allowed until July 20, 2015, in which to file a declaration in support of its amendment to Registration No. 4125612 under Trademark Rule 2.173 (b)(2). On July 9, 2015, Respondent filed such a declaration.

By the proposed amendment Respondent seeks to delete the goods in International Class 9, in their entirety, from its subject registration.

Inasmuch as the amendment now complies with all of the procedural requirements of Trademark Rule 2.173, is clearly limiting in nature, and because Petitioner consents thereto, it is approved. See Trademark Rule 2.133(a).<sup>1</sup>

The amendment will be forwarded to the Post Registration Branch of this Office for appropriate action in accordance with Section 7(e) of the Trademark Act.

---

<sup>1</sup> A copy of the Board's order granting the amendment, and respondent's declaration, will be forwarded electronically for uploading to the record of the registration.

If this resolves the dispute herein, Petitioner is allowed until **thirty (30) days** from the mailing date of this order to file a withdrawal of the petition to cancel with respect to classes 1, 7, and 40, failing which the petition to cancel will go forward on the registration as amended. See Trademark Rule 2.114(c).

Proceedings are otherwise suspended pending Petitioner's response to this order.
