**Combined Declaration of Use and Incontestability Under Sections 8 & 15  
To the Commissioner for Trademarks:**

**REGISTRATION NUMBER:** 2564083

**REGISTRATION DATE:** 04/23/2002

**MARK:** MUSE

The owner, Movado LLC, having an address of  
Silverside Carr Executive Center  
501 Silverside Road  
Wilmington, Delaware 19809  
United States

is filing a Combined Declaration of Use and Incontestability Under Sections 8 & 15.

For International Class 014, the mark is in use in commerce on or in connection with **all** of the goods or services listed in the existing registration for this specific class; **and** the mark has been continuously used in commerce for five (5) consecutive years after the date of registration, or the date of publication under Section 12(c), and is still in use in commerce on or in connection with **all** goods or services listed in the existing registration for this class. Also, no final decision adverse to the owner's claim of ownership of such mark for those goods or services exists, or to the owner's right to register the same or to keep the same on the register; and, no proceeding involving said rights pending and not disposed of in either the U.S. Patent and Trademark Office or the courts exists.

The owner is submitting one specimen for this class showing the mark as used in commerce on or in connection with any item in this class, consisting of a(n) Website offering goods for sale in connection with mark..

Specimen File1

The registrant hereby appoints Mark D. Engelmann of FROSS ZELNICK LEHRMAN & ZISSU, P.C.  
866 UNITED NATIONS PLAZA  
NEW YORK, New York 10017  
United States

to file this Combined Declaration of Use and Incontestability Under Sections 8 & 15 on behalf of the registrant. The attorney docket/reference number is MOVA 99/04082.

A fee payment in the amount of \$300 will be submitted with the form, representing payment for 1 class(es), plus any additional grace period fee, if necessary.

**SECTION 4 & 15 DECLARATION**

MARK: MUSE  
REG. NO.: 2,564,083  
REG. DATE: April 23, 2002  
CLASS: 14  
OUR REF: MOVA 99/04082

Commissioner for Trademarks  
P.O. Box 1451  
Alexandria, VA 22313-1451

The undersigned declares that: MOVADO LLC, a limited liability company organized and existing under the laws of the State of Delaware, located at Silverside Carr Executive Center, 501 Silverside Road, Wilmington Delaware 19809, is the owner of the above-identified registration as shown by the records of the United States Patent and Trademark Office; and that the mark shown therein has been in continuous use in commerce for five consecutive years after the date of registration, and is still in use in commerce on or in connection with all goods recited in the registration, namely:

Class 14: watches

as evidenced by the attached specimen showing such use; that there has been no final decision adverse to the owner's claim of ownership of said mark for such goods or to owner's right to register the same or maintain the same on the Register; and that there is no proceeding involving said rights pending and not disposed of either in the Patent and Trademark Office or in the courts.

(7/23/04/1)

**ADDRESS FOR CORRESPONDENCE**

The owner requests that all correspondence in connection with this declaration be directed to the law firm of Fross Zelnick Lehman & Zissu, P.C., 866 United Nations Plaza, New York, New York 10017, (212) 813-5900; Attn: Mark D. Engelmann.

**DECLARATION**

The undersigned being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements and the like may jeopardize the validity of this document, declares that he is authorized to execute this document on behalf of the owner; that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true.

MSRP: \$150.00  
Your Price Only \$135.00

**Seiko Men's Kinetic Perpetual Coutura - Black Face - Black Steel & Gold-Tone**

Once set the calendar automatically adjusts for odd and even months including February of leap years to February 28, 2100. When the watch senses 24 hours of inactivity it puts itself into suspended animation (sleep mode) to conserve energy. The date continues to advance correctly while the watch is "asleep". Wake it up with a few shakes of your wrist and it automatically resets itself to the correct time, even if it has been asleep for 4 years.

- Kinetic Movement Powered by the movement of your wrist so you never have to replace a battery
- 4 Year Energy Storage when not in use
- BlackTICN Plated Stainless Steel Case and Bracelet with Gold-Tone Accents
- Large Oversized Date Windows at the 12 o'clock position
- Day, Month and Leap Year Indicator Subdials at the 4, 6 and 8 o'clock positions
- Sapphire Glass Crystal - Extremely Scratch Resistant
- Cabochon Crown
- Luminous Hands and Markers
- Water Resistant to 100 Meters (330 Feet)
- Sleep Mode with Energy Depletion Forwarding Function
- Bracelet Features a Push-Button Release Clasp
- 40mm Case Width not including Crown (Approximately 1 1/2" Case Width)

MSRP: \$875.00  
Your Price Only \$499.00

**Seiko Kinetic Watch Energy Supplier-Winder - Black**

Similar to winders for automatic watches, the Seiko YT02A is a battery charger that charges Seiko Kinetic watches from an external power source.

Note that in normal use Seiko Kinetic Watches don't need an external winder, since they generally have a 6 month power reserve which is being replenished while you wear them, and they can be started up by shaking them from side to side if they do happen to run low. This winder is primarily used in repair and service facilities. We offer it as a handy gadget for the Seiko Kinetic collector who has more than a couple Seiko Kinetic watches and only two wrists!

- Designed so there is no need to remove the watch band when charging
- Equipped with a timer function to power the charger automatically after a certain period of operation.
- Alternating Current Magnetic Field Transmission (Approximately 1 kHz)
- Dimensions: 135 x 125 x 32mm (Approximately 5 1/4" x 4 7/8" x 1 1/4" Thick)
- Weight: 160 Grams
- Operating Temperature Range: -5 Degrees Celcius - 50 Degrees Celcius
- Direct 9V Current through Seiko AC Adaptor Only
- Timer for Approximately 30 Minutes or 3.5 Hours by Switch Setting
- Seiko AC Adaptor: 7530029
- Input: AC 100-240 V 50/60 Hz
- Output: DC9V 0.5A

MSRP: \$399.00  
Your Price Only \$239.00

**Suunto Core Lava Red - Barometer - Compass - Altimeter - Storm Alarm**

With its accurate data to keep you safe in harsh conditions, this multipurpose Suunto Core features an automatic altimeter/barometer switch and sunrise/sunset times.

**Altimeter:** Accurate to 30,000 feet, displays your current elevation, shows elevation gain/loss, and records your entire session for later analysis. Simplifying altimeter use, the Suunto Core includes a unique start-from-zero function that eliminates the need for entering a reference altitude. With the single push of a button, the altimeter will begin tracking your ascent and descent.

- Automatic Alti/Baro switch
- Lockable logs
- Altimeter/barometer lock
- Logbook function
- Temperature compensation
- Altitude range -500m - 9000m/ -1600ft - 29500ft

- Automatic 7 day Alti-Baro memory
- Difference measurement
- Log graph
- Resolution 1 m
- Real-time vertical cumulative value

**Barometer:** Measures and records air pressure to help you predict changing conditions. Features automatic Altimeter/Barometer mode that senses movement or lack thereof, switching between altimeter and barometer accordingly. Weather Trend Indicator shows the barometric history for the last three and six hours.

- Temperature
- Temperature resolution 1°C/1°F
- Trend indicator
- Sea level pressure

**Suunto Core Sahara Yellow - Compass - Altimeter - Barometer - Sunrise/Sunset**

Featuring an important altimeter, barometer and compass, the award-winning Suunto Core collection is a practical companion for your next wilderness excursion.

**Altimeter:** Accurate to 30,000 feet, displays your current elevation, shows elevation gain/loss, and records your entire session for later analysis. Simplifying altimeter use, the Suunto Core includes a unique start-from-zero function that eliminates the need for entering a reference altitude. With the single push of a button, the altimeter will begin tracking your ascent and descent.

Automatic Alti/Baro switch	Automatic 7 day Alti
Lockable logs	-Baro memory
Altimeter/barometer lock	Difference measurement
Logbook function	Log graph
Temperature compensation	Resolution 1 m
Altitude range -500m - 9000m/-1600ft - 29500ft	Real-time vertical cumulative value

**Barometer:** Measures and records air pressure to help you predict changing conditions. Features automatic Altimeter/Barometer mode that senses movement or lack thereof, switching between altimeter and barometer accordingly. Weather Trend Indicator shows the barometric history for the last three and six hours.

Temperature	Barometer range 8,9 -32,4
Temperature resolution 1°C/1°F	inHg/300-1100 mbar
Trend indicator	Trend graph
Sea level pressure	Altimeter/barometer lock
Temperature range -20°C - +60°C/-5°F - +140°F	Barometer resolution 0,05 inHg/1 mbar

**Storm Alarm:** Activated by a rapid drop in air pressure over a three-hour period, the Storm Alarm sounds and flashes; letting you know something unpleasant is fast approaching.

**Compass:** Digital Compass keeps track of direction. You can set and follow a bearing with a traditional rotating bezel, or simply point the top of the watch toward your intended destination and lock it in.

Bearing tracking	Heading in degrees
Declination setting	Cardinal directions
Guided calibration	

**Sunrise/Sunset:** Maximize your daylight hours and never miss another afterglow photo with daily sunrise and sunset times on the Suunto Core. Just set your continent, region, and city and you will always know how much daylight remains for safe climbing, skiing, and off-trail travel.

**Snorkeling:** Head into the surf, and the Suunto Core shifts from air to water pressure, providing accurate depth readings to 100 feet.

**Other Features:**

- Chronograph
- Countdown timer
- Stopwatch
- 4 Language Menu Display (DE,EN,ES,FR)
- Rotating bezel
- Button lock
- 12/24 Hour Time
- Daily alarms 1
- Dual time

### Seiko R-Wave Get up and Glow Alarm Clock

A high-tech, convenient and functional bedside alarm clock. It's also a great size for a desk (you can use the alarm to remind you of important appointments). Super accurate because it automatically synchronizes by radio with the US atomic clock. Accurate to within a second in a million years and has US time zone and daylight saving time adjustments.

- Getup & Glow feature - press a button on top of the clock and the dial lights in soft blue
- Automatic day and date calendar
- Displays alarm setting right on face
- Ascending electronic beep alarm starts softly and get progressively louder
- Snooze feature allows you to tap a button and get a few more minutes of sleep and then the alarm will go off again
- Approximate dimensions 4" high x 5 3/5" wide x 1 3/4"
- Takes two AA batteries and fresh ones are included with your purchase

MSRP: \$65.00

Your Price Only \$48.75

# ABOUT US

Movado Group, Inc. (MGI), one of the world's leading watchmakers, designs, manufactures and distributes watches for ten respected brand names. Movado, the flagship brand within the MGI portfolio, was founded in La Chaux-de-Fonds, Switzerland in 1881, and acquired by the corporation in 1993.

Recognized today for its iconic Museum® dial and modern aesthetic, Movado has earned more than 100 patents and 200 international awards for watch design and time technology, and Movado timepieces are in the permanent collections of museums worldwide.

This long, rich heritage of artistry and innovation in design, and a close, enduring association with the arts continue to define the Movado brand identity. Always in motion, Movado creates modern watches of exceptional craftsmanship and design distinction.

ESQ Movado was conceived in the late 1980's as a classic Movado watch family. In 1992, it was launched as a separate brand designed to bring a new level of Swiss quartz quality to watches with prices as appealing as their looks.

Now dramatically re-envisioned, the new ESQ Movado brand combines distinctive American style with unique signature design elements and Swiss-engineered precision in a dynamic range of versatile, well-priced collections.

To learn more about MGI, please visit [www.movadogroup.com](http://www.movadogroup.com)
