**Lalita Greene, Paralegal Specialist:**

Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended for an additional thirty (30) days as requested by the parties in their stipulated motion (filed April 18, 2016), subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).1

Accordingly, the suspension period will end on May 18, 2016, and deadlines are reset in accordance with the dates set forth in the parties' stipulated motion.

The proceedings are otherwise suspended for the purpose of completing the deposition on written questions of Miller Chen. Upon completion of the deposition on written questions, the parties are allowed twenty (20) days to inform the Board of the completion so that the Board may reset the trial schedule.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
