Cheryl S. Goodman, Interlocutory Attorney:

On May 15, 2014, the Board allowed respondent time to submit the appropriate fee and to properly verify or support the May 3, 2014 amendment to the registration. On May 21, 2014 respondent filed its fee and declaration.

By the proposed amendment respondent seeks to amend the goods in Registration No. 4123910 as indicated below.

“Downloadable electronic publications, namely, magazines, newspapers, newsletters, and periodicals, all in the field of financial information; all excluding teaching and course material for use in relation to business and investing training” International Class 9;

“Magazines, newspapers, newsletters, and periodicals, all in the field of financial information; all excluding publications in the field of education and training regarding business and investing” International Class 6;

“Publication of magazines, newspapers, newsletters, periodicals, and electronic magazines; all excluding educational, personal coaching and teaching services in the fields of business and investing” International Class 41.

Inasmuch as the amendment complies with the requirements of Trademark Rule 2.173, it is limiting in nature, and petitioner consents thereto, the amendment is approved. *See* Trademark Rule 2.133(a).

The amendment will be forwarded to the Post Registration Branch of this Office for entry of the amendment in accordance with Section 7(e) of the Trademark Act.¹

If the amendment resolves this proceeding, petitioner is allowed until thirty days from the mailing date of this order to file a withdrawal of the petition to cancel, failing which the petition to cancel will go forward on the registration as amended. *See* Trademark Rule 2.114(c).

If no response is filed, proceedings will be resumed and dates reset, as appropriate.

Proceedings are otherwise suspended.

¹ A copy of the Board's order granting the amendment, and respondent's declaration, will be forwarded electronically for uploading to the record of the registration.
