v.

Cintron Beverage Group, LLC

By the Trademark Trial and Appeal Board:

Petitioner, without the written consent of respondent, filed a withdrawal of the consolidated petitions for cancellation on January 12, 2015.

Trademark Rule 2.114(c) provides that after an answer is filed, the petition for cancellation may not be withdrawn without prejudice except with the written consent of respondent.

In view thereof, and because the withdrawal was filed after answer, the consolidated petitions for cancellation are dismissed with prejudice.
