## **OFFICE ACTION**

### **STRICT DEADLINE TO RESPOND TO THIS LETTER**

TO AVOID ABANDONMENT OF APPLICANT'S TRADEMARK APPLICATION, THE USPTO MUST RECEIVE APPLICANT'S COMPLETE RESPONSE TO THIS LETTER **WITHIN 6 MONTHS** OF THE ISSUE/MAILING DATE BELOW.

**ISSUE/MAILING DATE: 8/24/2011**

### **LETTER OF PROTEST GRANTED**

The Office of the Deputy Commissioner for Trademark Examination Policy granted a Letter of Protest received in connection with this application. The evidence presented in the letter was forwarded to the trademark examining attorney for consideration. *See* TMEP §1715.

Based upon this evidence, the trademark examining attorney is taking further action, as specified below. *See* TMEP §1715.02(b).

In addition to the requirement in this Office action, all refusals and requirement (s) in the Office action dated March 21, 2011, are herein incorporated by reference. Therefore, a proper response to this Office action must address each issue raised in the preceding Office action as well as in this Office action.

### **REFUSAL – FALSE CONNECTION**

Registration is refused because the applied-for mark GIOVANNI'S ORIGINAL WHITE SHRIMP TRUCK consists of or includes matter – the term GIOVANNI'S - which may falsely suggest a connection with John "Giovanni" Aragona. Although John "Giovanni" Aragona is not connected with the goods and/or services provided by applicant under the applied-for mark, John "Giovanni" Aragona is so famous that consumers would presume a connection. Trademark Act Section 2(a), 15 U.S.C. §1052(a); *see* TMEP §§1203.03, 1203.03(e). *See generally* *Univ. of Notre Dame du Lac v. J.C. Gourmet Food Imps. Co.*, 703 F.2d 1372, 217 USPQ 505 (Fed. Cir. 1983); *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *Buffett v. Chi-Chi's, Inc.*, 226 USPQ 428 (TTAB 1985).

The following is required for a showing of false connection under Trademark Act Section 2(a):

- ||
- (1) The mark sought to be registered is the same as, or a close approximation of, the name or identity previously used by another person or institution;
  - (2) The mark would be recognized as such, in that it points uniquely and unmistakably to that person or institution;
  - (3) The person or institution identified in the mark is not connected with the goods sold or services performed by applicant under the mark; and
  - (4) The fame or reputation of the named person or institution is of such a nature that a connection with such person or institution would be presumed when applicant's mark is used on its goods and/or services.

*In re Peter S. Herrick, P.A.*, 91 USPQ2d 1505, 1507 (TTAB 2009); *In re MC MC S.r.l.*, 88 USPQ2d 1378, 1379 (TTAB 2008); TMEP §1203.03(e); *see also Univ. of Notre Dame du Lac v. J.C. Gourmet Food Imps. Co.*, 703 F.2d 1372, 1375-77, 217 USPQ 505, 508-10 (Fed. Cir. 1983) (providing foundational principles for the current four-part test used to determine the existence of a false connection).

The examiner notes the attached advertisements and articles excerpted from a search of the <http://www.google.com> website which demonstrate that Giovanni and Connie Aragona began a shrimp shack in 1994 that became one of the oldest and famous shrimp trucks in Kahuku, O'ahu known as "Giovanni's Original Shrimp Truck". See attachments. It is also noted that the applicant is located in Kahuku, Hawaii. See applicant's address. The applicant has not provided any written consent from Mr. Aragona that his name may be used in the applicant's mark. Given the popularity, fame and history of the Aragona's shrimp truck, there is a likelihood that the term "Giovanni" in the applicant's mark would be read to refer to John "Giovanni" Aragona and his original shrimp truck.

Notably, the term at issue need not be the actual, legal name of the party falsely associated with applicant's mark to be unregistrable. TMEP §1203.03(a); *see, e.g., Buffett v. Chi-Chi's, Inc.*, 226 USPQ 428, 429-30 (TTAB 1985) (holding the wording MARGARITAVILLE to be the persona of singer Jimmy Buffett). The term must, however, be so uniquely and unmistakably associated with the named party as to constitute that party's name or identity. TMEP §1203.03; *see, e.g., In re Cotter & Co.*, 228 USPQ 202, 204 (TTAB 1985); *Buffett*, 226 USPQ at 429.

Accordingly, the mark is refused registration on the Principal Register absent consent to register from John "Giovanni" Aragona. Although applicant's mark has been refused registration, applicant may respond to the refusal(s) by submitting evidence and arguments in support of registration.

#### **SECTION 2(c) REFUSAL – NAME IDENTIFIES A LIVING INDIVIDUAL**

Registration is refused because the applied-for mark consists of or includes a name, portrait, or signature identifying a particular living individual whose written consent to register the mark is not of record. Trademark Act Section 2(c), 15 U.S.C. §1052(c); TMEP §1206; *see, e.g., In re Hoefflin*, 97 USPQ2d 1174 (TTAB 2010).

The refusal under Section 2(c) will be withdrawn if applicant provides the following:

- (1) A statement that the name "GIOVANNI" shown in the mark identifies < **John "Giovanni" Aragona** >, a living individual whose consent is of record. If the name represents that of a

pseudonym, stage name, title and name combination, or nickname, applicant must include a statement that "GIOVANNI" identifies the <pseudonym/stage name/title and name/nickname> of <specify actual name>, a living individual whose consent is of record; and

(2) A written consent, personally signed by the individual whose name, signature, or portrait appears in the mark, authorizing applicant to register the identifying matter as a trademark and/or service mark with the USPTO (e.g., "I, John "Giovanni" Aragona, consent to the use and registration by **LuckyU Enterprises, Inc. DBA Giovanni's Original White Shrimp Truck** of my name as a trademark and/or service mark with the USPTO").

See TMEP §§813, 813.01(a), 1206.04(a).

Applicant is advised that the written consent must include a statement of the party's consent to applicant's *registration*, and not just the *use*, of the identifying matter as a trademark. See *Krause v. Krause Publ'ns, Inc.*, 76 USPQ2d 1904, 1912-13 (TTAB 2005); *In re New John Nissen Mannequins*, 227 USPQ 569, 571 (TTAB 1985); *Reed v. Bakers Eng'g & Equip. Co.*, 100 USPQ 196, 199 (PTO 1954); TMEP §1206.04(a).

### **REQUEST FOR INFORMATION**

Applicant must submit the following information to permit proper examination of the application. See 37 C.F.R. §2.61(b); TMEP §§814, 1402.01(e).

Due to the notoriety of the person named in the mark, and the fact that there is no information in the application record regarding a connection with applicant, **applicant must specify whether the person or institution named in the mark has any connection with applicant's goods and/or services**, and if so, must describe the nature and extent of that connection. See 37 C.F.R. §2.61(b); TMEP §1203.03(e).

Failure to respond to a request for information is an additional ground for refusing registration. See *In re Cheezwhse.com, Inc.*, 85 USPQ2d 1917, 1919 (TTAB 2008); *In re DTI P'ship LLP*, 67 USPQ2d 1699, 1701 (TTAB 2003); TMEP §814.

### **DISCLAIMER**

Applicant must disclaim the descriptive wording "**ORIGINAL WHITE SHRIMP TRUCK**" apart from the mark as shown because it merely describes an ingredient, function, feature and purpose of applicant's services. See 15 U.S.C. §§1052(e)(1), 1056(a); *In re Steelbuilding.com*, 415 F.3d 1293, 1297, 75 USPQ2d 1420, 1421 (Fed. Cir. 2005); *In re Gyulay*, 820 F.2d 1216, 1217-18, 3 USPQ2d 1009, 1010 (Fed. Cir. 1987); TMEP §§1213, 1213.03(a).

Attached to the previous office action, the applicant will find a dictionary reference wherein the term "original" is defined as "preceding all others in time; first." See attachments. The previously attached advertisement from www.frommers.com indicates that the applicant's service "claims to be the first shrimp truck to serve the delicious aquaculture shrimp farmed in the surrounding area" of north shore of Oahu. See previously attached.

A term is merely descriptive if it conveys an immediate idea of the ingredients, qualities, or characteristics of the identified goods and/or services. See *In re Steelbuilding.com*, 415 F.3d 1293, 1297, 75 USPQ2d 1420, 1422 (Fed. Cir. 2005); *In re Dial-A-Mattress Operating Corp.*, 240 F.3d 1341, 1346, 57 USPQ2d

1807, 1812 (Fed. Cir. 2001). When used in relation to the services, the immediate idea rendered by the wording ORIGINAL WHITE SHRIMP TRUCK describes the applicant's services. Specifically, it merely informs consumers that the applicant's provision of food and drink services include being the first to serve white shrimp from a truck. Given the descriptive nature of the wording, it lacks source identifying significance and, thus, must be disclaimed.

A "disclaimer" is a statement that applicant does not claim exclusive rights to an unregistrable component of a mark; it does not affect the appearance of the mark. TMEP §1213. An unregistrable component of a mark includes wording and designs that are merely descriptive of the goods and/or services, and is wording or an illustration that others would need to use to describe or show their goods and services in the marketplace. 15 U.S.C. §1052(e); see TMEP §§1209.03(f), 1213.03 et seq.

The following is the standard format used by the Office:

No claim is made to the exclusive right to use "**ORIGINAL WHITE SHRIMP TRUCK**" apart from the mark as shown.

TMEP §1213.08(a)(i); see *In re Owatonna Tool Co.*, 231 USPQ 493 (Comm'r Pats. 1983).

### **SPECIMEN**

The specimen is not acceptable because it is merely a photocopy of the drawing or a picture or rendering of the applied-for mark; it does not show the applied-for mark in actual use in commerce. See 37 C.F.R. §2.56(c); TMEP §§904.04(a), 904.07(a). Trademark Act Section 45 requires use of the mark "in the sale or advertising of services." 15 U.S.C. §1127; see 37 C.F.R. §2.56(b)(2); TMEP §1301.04.

An application based on Section 1(a) must include a specimen showing the applied-for mark in use in commerce for each class of services. Trademark Act Sections 1 and 45, 15 U.S.C. §§1051, 1127; 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a).

Therefore, applicant must submit the following:

- (1) A substitute specimen showing the mark in use in commerce for each class of services specified in the application; and
- (2) The following statement, verified with an affidavit or signed declaration under 37 C.F.R. §2.20: "**The substitute specimen was in use in commerce at least as early as the filing date of the application.**" 37 C.F.R. §2.59(a); TMEP §904.05; see 37 C.F.R. §2.193(e)(1). If submitting a substitute specimen requires an amendment to the dates of use, applicant must also verify the amended dates. 37 C.F.R. §2.71(c); TMEP §904.05.

Examples of specimens for services are signs, photographs, brochures, website printouts or advertisements that show the mark used in the actual sale or advertising of the services. See TMEP §§1301.04 et seq.

If applicant cannot satisfy the above requirements, applicant may amend the application from a use in commerce basis under Section 1(a) to an intent to use basis under Section 1(b), for which no specimen is required. See TMEP §806.03(c). However, if applicant amends the basis to Section 1(b), registration will not be granted until applicant later amends the application back to use in commerce by filing an acceptable allegation of use with a proper specimen. See 15 U.S.C. §1051(c), (d); 37 C.F.R. §§2.76, 2.88; TMEP

§1103.

To amend to Section 1(b), applicant must submit the following statement, verified with an affidavit or signed declaration under 37 C.F.R. §2.20: “ **Applicant has had a bona fide intention to use the mark in commerce on or in connection with the services listed in the application as of the filing date of the application.**” 37 C.F.R. §2.34(a)(2); TMEP §806.01(b); *see* 15 U.S.C. §1051(b); 37 C.F.R. §§2.35(b)(1), 2.193(e)(1).

Pending receipt of a proper response, registration is refused because the specimen does not show the applied-for mark in use in commerce as a service mark. Trademark Act Sections 1 and 45, 15 U.S.C. §§1051, 1127; 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a).

PLEASE NOTE:

If applicant has questions regarding this Office action, please telephone or e-mail the assigned trademark examining attorney. **STRICT DEADLINE TO RESPOND TO THIS LETTER**

TO AVOID ABANDONMENT OF APPLICANT'S TRADEMARK APPLICATION, THE USPTO MUST RECEIVE APPLICANT'S COMPLETE RESPONSE TO THIS LETTER **WITHIN 6 MONTHS** OF THE ISSUE/MAILING DATE BELOW.

**ISSUE/MAILING DATE: 1/17/2012**

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

### **Section 2(d) Refusal – Likelihood of Confusion**

Registration of the applied-for mark is refused because of a likelihood of confusion with the marks in U.S. Registration Nos. 1452339 and 3718636. Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see* TMEP §§1207.01 *et seq.* See the enclosed registrations.

Applicant's mark is "GIOVANNI'S ORIGINAL WHITE SHRIMP TRUCK" for mobile restaurant services. The registered marks are "GIOVANNI'S" for restaurant services, "GIOVANNI'S" with a design element for restaurant services.

Trademark Act Section 2(d) bars registration of an applied-for mark that so resembles a registered mark that it is likely that a potential consumer would be confused or mistaken or deceived as to the source of the goods and/or services of the applicant and registrant. *See* 15 U.S.C. §1052(d). The court in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 177 USPQ 563 (C.C.P.A. 1973) listed the principal factors to be considered when determining whether there is a likelihood of confusion under Section 2(d). *See* TMEP §1207.01. However, not all the factors are necessarily relevant or of equal weight, and any one factor may be dominant in a given case, depending upon the evidence of record. *Citigroup Inc. v. Capital City Bank Grp., Inc.*, 637 F.3d 1344, 1355, 98 USPQ2d 1253, 1260 (Fed. Cir. 2011); *In re Majestic Distilling Co.*, 315 F.3d 1311, 1315, 65 USPQ2d 1201, 1204 (Fed. Cir. 2003); *see In re E. I. du Pont*, 476 F.2d at 1361-62, 177 USPQ at 567.

In this case, the following factors are the most relevant: similarity of the marks, similarity of the goods and/or services, and similarity of trade channels of the goods and/or services. *See In re Dakin's Miniatures Inc.*, 59 USPQ2d 1593 (TTAB 1999); TMEP §§1207.01 *et seq.*

### **Comparison of the Marks**

In a likelihood of confusion determination, the marks are compared for similarities in their appearance, sound, meaning or connotation, and commercial impression. *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973); TMEP §1207.01(b)-(b)(v). Similarity in any one of these elements may be sufficient to find the marks confusingly similar. *In re White Swan Ltd.*, 8 USPQ2d 1534, 1535 (TTAB 1988); *see In re 1st USA Realty Prof'ls, Inc.*, 84 USPQ2d 1581, 1586 (TTAB 2007); TMEP §1207.01(b).

In the present case, all of the marks contain the term "GIOVANNI'S". Applicant's mark also contains the term "ORIGINAL WHITE SHRIMP TRUCK". However, that term has been disclaimed. Although a disclaimed portion of a mark certainly cannot be ignored, and the marks must be compared in their entireties, one feature of a mark may be more significant in creating a commercial impression. Disclaimed matter is typically less significant or less dominant when comparing marks. *See In re Dixie Rests., Inc.*, 105 F.3d 1405, 1407, 41 USPQ2d 1531, 1533-34 (Fed. Cir. 1997); *In re Nat'l Data Corp.*, 753 F.2d 1056, 1060, 224 USPQ 749, 752 (Fed. Cir. 1985); TMEP §1207.01(b)(viii), (c)(ii).

In addition, marks may be confusingly similar in appearance where there are similar terms or phrases or similar parts of terms or phrases appearing in both applicant's and registrant's mark. *See Crocker Nat'l*

||

*Bank v. Canadian Imperial Bank of Commerce*, 228 USPQ 689 (TTAB 1986), *aff'd sub nom. Canadian Imperial Bank of Commerce v. Wells Fargo Bank, Nat'l Ass'n*, 811 F.2d 1490, 1 USPQ2d 1813 (Fed. Cir. 1987) (COMMCASH and COMMUNICASH); *In re Phillips-Van Heusen Corp.*, 228 USPQ 949 (TTAB 1986) (21 CLUB and "21" CLUB (stylized)); *In re Corning Glass Works*, 229 USPQ 65 (TTAB 1985) (CONFIRM and CONFIRMCELLS); *In re Collegian Sportswear Inc.*, 224 USPQ 174 (TTAB 1984) (COLLEGIAN OF CALIFORNIA and COLLEGIENNE); *In re Pellerin Milnor Corp.*, 221 USPQ 558 (TTAB 1983) (MILTRON and MILLTRONICS); *In re BASF A.G.*, 189 USPQ 424 (TTAB 1975) (LUTEXAL and LUTEX); TMEP §1207.01(b)(ii)-(iii).

U.S. Registration No. 3718636 also contains a design element. However, when a mark consists of a word portion and a design portion, the word portion is more likely to be impressed upon a purchaser's memory and to be used in calling for the goods and/or services; therefore, the word portion is normally accorded greater weight in determining whether marks are confusingly similar. *In re Dakin's Miniatures, Inc.*, 59 USPQ2d 1593, 1596 (TTAB 1999); TMEP §1207.01(c)(ii); *see CBS Inc. v. Morrow*, 708 F. 2d 1579, 1581-82, 218 USPQ 198, 200 (Fed. Cir 1983); *In re Kysela Pere et Fils, Ltd.*, 98 USPQ2d 1261, 1267-68 (TTAB 2011).

### **Comparison of the Services**

The goods and/or services of the parties need not be identical or directly competitive to find a likelihood of confusion. *See Safety-Kleen Corp. v. Dresser Indus., Inc.*, 518 F.2d 1399, 1404, 186 USPQ 476, 480 (C.C.P.A. 1975); TMEP §1207.01(a)(i). Rather, it is sufficient to show that because of the conditions surrounding their marketing, or because they are otherwise related in some manner, the goods and/or services would be encountered by the same consumers under circumstances such that offering the goods and/or services under confusingly similar marks would lead to the mistaken belief that they come from, or are in some way associated with, the same source. *In re Iolo Techs., LLC*, 95 USPQ2d 1498, 1499 (TTAB 2010); *see In re Martin's Famous Pastry Shoppe, Inc.*, 748 F.2d 1565, 1566-68, 223 USPQ 1289, 1290 (Fed. Cir. 1984); TMEP §1207.01(a)(i).

In the present case, applicant's services are encompassed by the services identified by the registrant. Applicant's mobile restaurant services would be included in the restaurant services identified by the registrant. Therefore, the services would be encountered under circumstances that would lead to the mistaken belief that the services originate from the same source.

Since applicant's mark is similar to the registered mark and the identified services are overlapping, there is a likelihood of confusion with regard to the source of applicant's services. Therefore, registration is refused under Section 2(d) of the Trademark Act.

Although applicant's mark has been refused registration, applicant may respond to the refusal(s) by submitting evidence and arguments in support of registration.

### **Prior Pending Application**

The filing date of pending Application Serial No. 85201283 precedes applicant's filing date. See attached referenced application. If the mark in the referenced application registers, applicant's mark may be refused registration under Trademark Act Section 2(d) because of a likelihood of confusion between the two marks. *See* 15 U.S.C. §1052(d); 37 C.F.R. §2.83; TMEP §§1208 *et seq.* Therefore, upon receipt of applicant's response to this Office action, action on this application may be suspended pending final disposition of the earlier-filed referenced application.

||

In response to this Office action, applicant may present arguments in support of registration by addressing the issue of the potential conflict between applicant's mark and the mark in the referenced application. Applicant's election not to submit arguments at this time in no way limits applicant's right to address this issue later if a refusal under Section 2(d) issues.

**Response Guidelines**

**TEAS PLUS APPLICANTS MUST SUBMIT DOCUMENTS ELECTRONICALLY OR SUBMIT FEE:** Applicants who filed their application online using the reduced-fee TEAS Plus application must continue to submit certain documents online using TEAS, including responses to Office actions. *See* 37 C.F.R. §2.23(a)(1). For a complete list of these documents, see TMEP §819.02(b). In addition, such applicants must accept correspondence from the Office via e-mail throughout the examination process and must maintain a valid e-mail address. 37 C.F.R. §2.23(a)(2); TMEP §§819, 819.02(a). TEAS Plus applicants who do not meet these requirements must submit an additional fee of \$50 per international class of goods and/or services. 37 C.F.R. §2.6(a)(1)(iv); TMEP §819.04. In appropriate situations and where all issues can be resolved by amendment, responding by telephone to authorize an examiner's amendment will not incur this additional fee.

For this application to proceed toward registration, applicant must explicitly address each refusal and/or requirement raised in this Office action. If the action includes a refusal, applicant may provide arguments and/or evidence as to why the refusal should be withdrawn and the mark should register. Applicant may also have other options for responding to a refusal and should consider such options carefully. To respond to requirements and certain refusal response options, applicant should set forth in writing the required changes or statements.

If applicant does not respond to this Office action within six months of the issue/ mailing date, or responds by expressly abandoning the application, the application process will end, the trademark will fail to register, and the application fee will not be refunded. *See* 15 U.S.C. §1062(b); 37 C.F.R. §§2.65(a), 2.68(a), 2.209(a); TMEP §§405.04, 718.01, 718.02. Where the application has been abandoned for failure to respond to an Office action, applicant's only option would be to file a timely petition to revive the application, which, if granted, would allow the application to return to live status. *See* 37 C.F.R. §2.66; TMEP §1714. There is a \$100 fee for such petitions. *See* 37 C.F.R. §§2.6, 2.66(b)(1).

If applicant has questions regarding this Office action, please telephone or e-mail the assigned trademark examining attorney. All relevant e-mail communications will be placed in the official application record; however, an e-mail communication will not be accepted as a response to this Office action and will not extend the deadline for filing a proper response. *See* 37 C.F.R. §2.191; TMEP §§304.01-.02, 709.04-.05. Further, although the trademark examining attorney may provide additional explanation pertaining to the refusal(s) and/or requirement(s) in this Office action, the trademark examining attorney may not provide legal advice or statements about applicant's rights. *See* TMEP §§705.02, 709.06.

CONSENT STATEMENT

September 20, 2011

Dear Examining Attorney:

I, John "GIOVANNI" Aragona, am the applicant and owner registering the "GIOVANNI'S ORIGINAL WHITE SHRIMP TRUCK" mark and the name "GIOVANNI" in the mark comprises my individual nickname. I am individual who is well known in the field relating to the relevant goods or services. Please enter a note on the record clearly identifying "GIOVANNI" as the actual name of the individual and indicate that the name shown in the mark identifies John "GIOVANNI" Aragona.

I, John "Giovanni" Aragona, consent to the use and registration by of my name as a trademark and/or service mark with the USPTO.

Thank you,  
  
John "Giovanni" Aragona

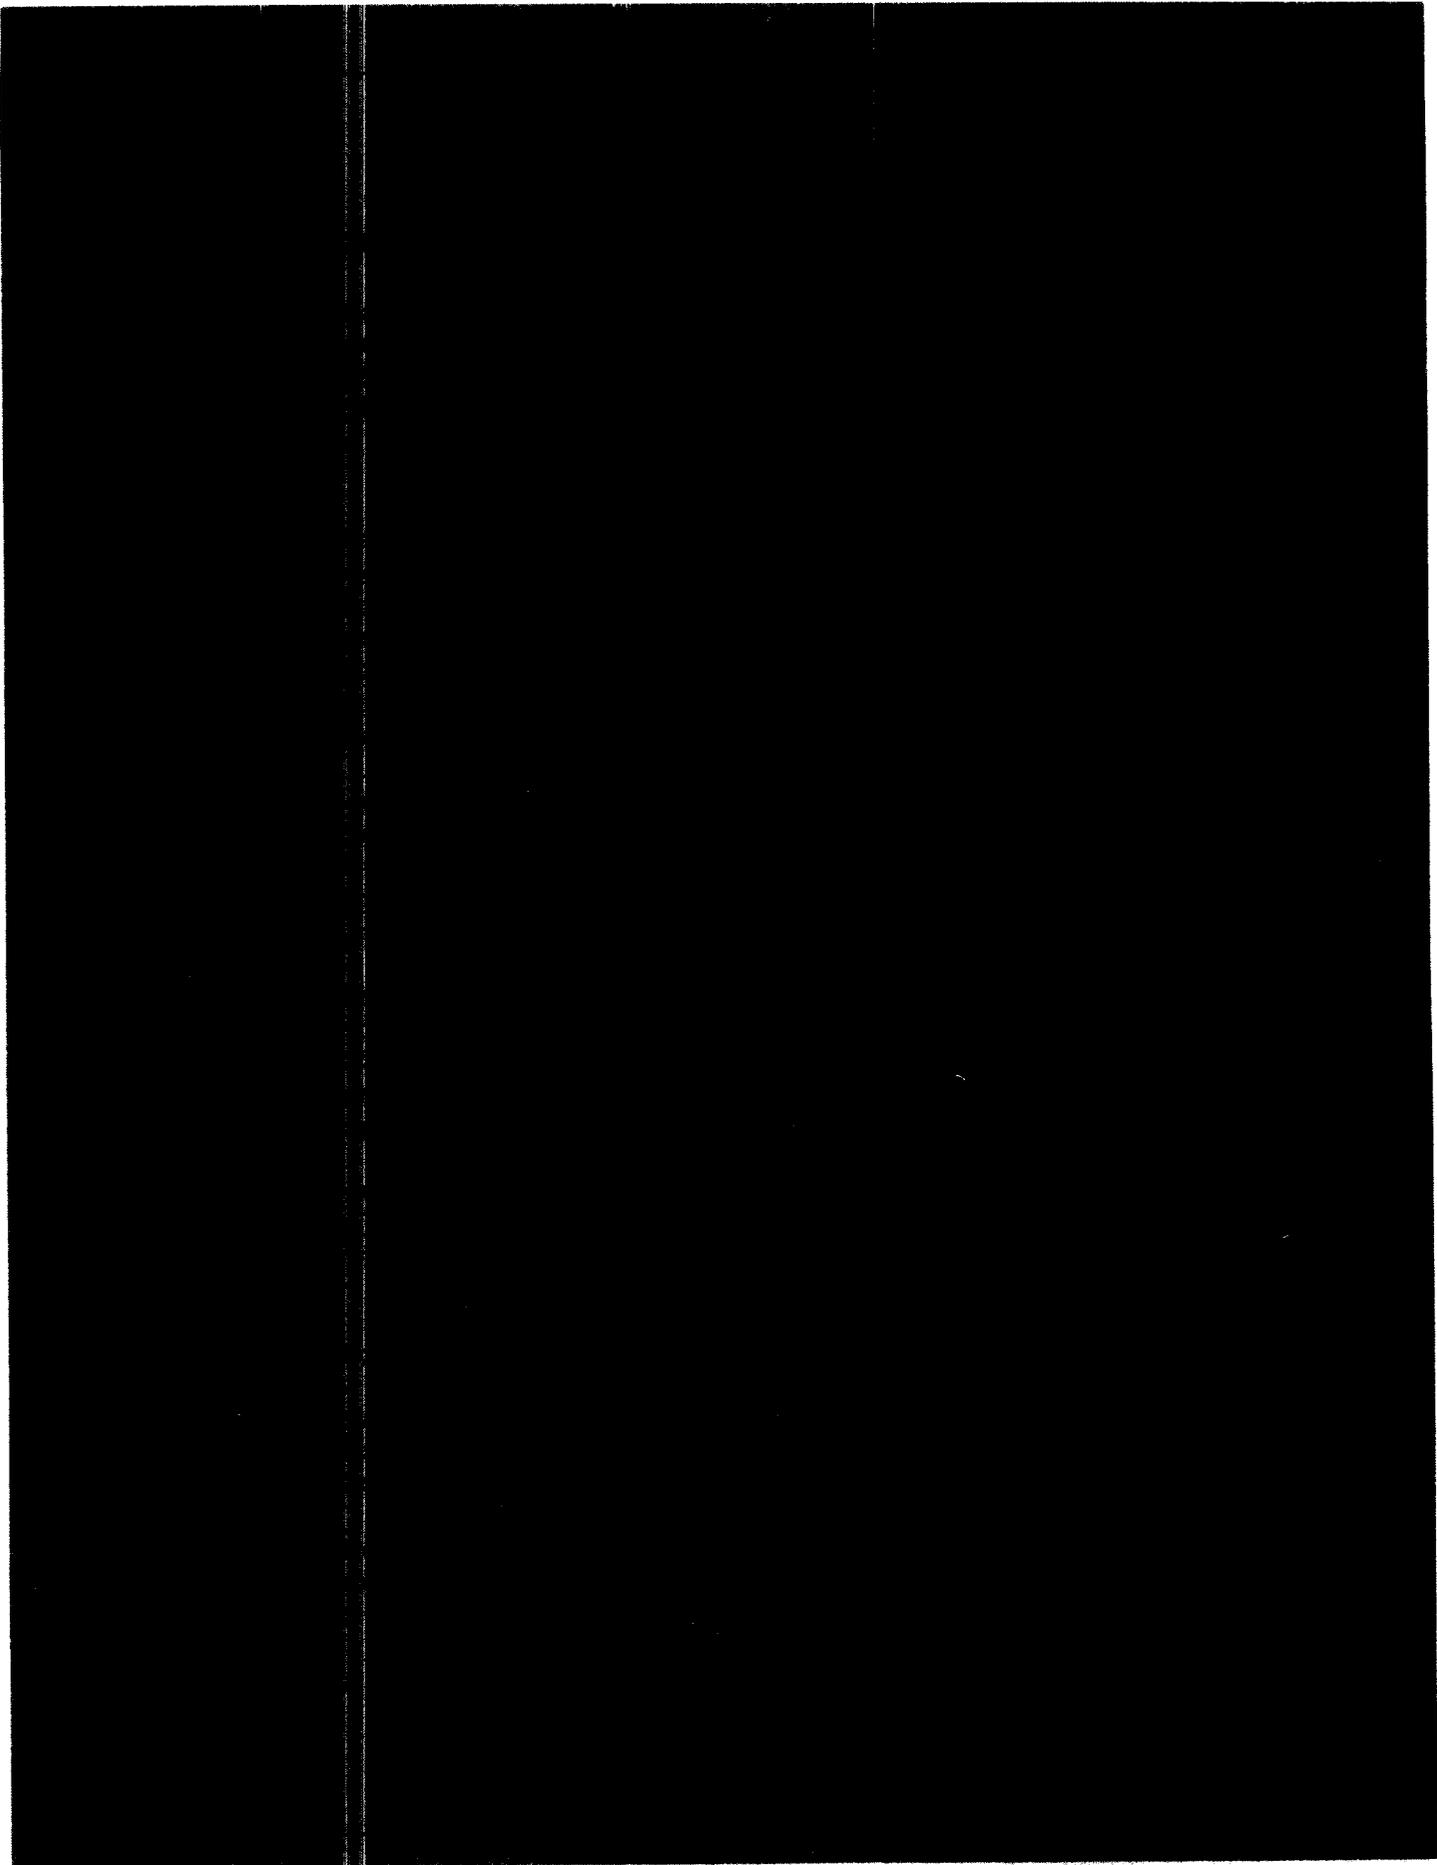

Please note that U.S. Customs & Border Protection (CBP), a bureau of the Department of Homeland Security, maintains a trademark recordation system for marks registered at the United States Patent and Trademark Office. Parties who register their marks on the Principal Register may record these marks with CBP, to assist CBP in its efforts to prevent the importation of goods that infringe registered marks. The recordation database includes information regarding all recorded marks, including images of these marks. CBP officers monitor imports to prevent the importation of goods bearing infringing marks, and can access the recordation database at each of the 317 ports of entry.

CBP's **Intellectual Property Rights e-Recordation (IPRR)** system, located at <https://apps.cbp.gov/e-recordations/>, allows right holders to electronically file IPR recordation applications, thus significantly reducing the amount of time normally required to process paper applications. Some additional benefits of the system include:

- Elimination of paper applications and supporting documents.
- Copies of the certificate issued by the registering agency (U.S. Patent and Trademark Office or the Copyright Office) are retained by the right holder, not submitted to CBP.
- Payment by credit card (preferred), check or money order.
- Ability to upload images of the protected work or trademark, thus obviating the need to send samples to CBP.
- Reduced time from filing of the application to enforcement by field personnel.

Information about how to obtain a recordation, and about CBP's Intellectual Property Rights border enforcement program, is available at CBP's web site, [www.cbp.gov](http://www.cbp.gov).

**SUSPENSION NOTICE: NO RESPONSE NEEDED**

**ISSUE/MAILING DATE: 1/13/2012**

The trademark examining attorney is suspending action on the application for the reason(s) stated below. *See 37 C.F.R. §2.67; TMEP §§716 et seq.*

The USPTO will periodically conduct a status check of the application to determine whether suspension remains appropriate, and the trademark examining attorney will issue as needed an inquiry letter to applicant regarding the status of the matter on which suspension is based. TMEP §§716.04, 716.05. Applicant will be notified when suspension is no longer appropriate. *See TMEP §716.04.*

No response to this notice is necessary; however, if applicant wants to respond, applicant should use the "Response to Suspension Inquiry or Letter of Suspension" form online at <http://teasroa.uspto.gov/rsi/rsi>.

**PRIOR-FILED PENDING APPLICATION(S) FOUND:** The trademark examining attorney has searched the USPTO's database of registered and pending marks and has found no similar registered marks that would bar registration under Trademark Act Section 2(d). TMEP §704.02; *see* 15 U.S.C. §1052(d). However, a mark(s) in a prior-filed pending application(s) may present a bar to registration of applicant's mark.

The effective filing date of the pending application(s) identified below precedes the filing date of applicant's application. If the mark in the referenced application(s) registers, applicant's mark may be refused registration under Section 2(d) because of a likelihood of confusion with that registered mark(s). *See* 15 U.S.C. §1052(d); 37 C.F.R. §2.83; TMEP §§1208 *et seq.* Therefore, action on this application is suspended until the earlier-filed referenced application(s) is either registered or abandoned. 37 C.F.R. §2.83(c). **OFFICE ACTION**

**STRICT DEADLINE TO RESPOND TO THIS LETTER**

TO AVOID ABANDONMENT OF APPLICANT'S TRADEMARK APPLICATION, THE USPTO MUST RECEIVE APPLICANT'S COMPLETE RESPONSE TO THIS LETTER **WITHIN 6 MONTHS** OF THE ISSUE/MAILING DATE BELOW.

**ISSUE/MAILING DATE: 8/24/2011**

**LETTER OF PROTEST GRANTED**

The Office of the Deputy Commissioner for Trademark Examination Policy granted a Letter of Protest received in connection with this application. The evidence presented in the letter was forwarded to the trademark examining attorney for consideration. *See* TMEP §1715.

Based upon this evidence, the trademark examining attorney is taking further action, as specified below. *See* TMEP §1715.02(b).

In addition to the requirement in this Office action, all refusals and requirement (s) in the Office action dated March 21, 2011, are herein incorporated by reference. Therefore, a proper response to this Office action must address each issue raised in the preceding Office action as well as in this Office action.

**REFUSAL – FALSE CONNECTION**

Registration is refused because the applied-for mark GIOVANNI'S ORIGINAL WHITE SHRIMP TRUCK consists of or includes matter – the term GIOVANNI'S - which may falsely suggest a connection with John "Giovanni" Aragona. Although John "Giovanni" Aragona is not connected with the goods and/or services provided by applicant under the applied-for mark, John "Giovanni" Aragona is so famous that consumers would presume a connection. Trademark Act Section 2(a), 15 U.S.C. §1052(a); *see* TMEP §§1203.03, 1203.03(e). *See generally* *Univ. of Notre Dame du Lac v. J.C. Gourmet Food Imps. Co.*, 703 F.2d 1372, 217 USPQ 505 (Fed. Cir. 1983); *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *Buffett v. Chi-Chi's, Inc.*, 226 USPQ 428 (TTAB 1985).

The following is required for a showing of false connection under Trademark Act Section 2(a):

**LuckyU 001625**

- (1) The mark sought to be registered is the same as, or a close approximation of, the name or identity previously used by another person or institution;
- (2) The mark would be recognized as such, in that it points uniquely and unmistakably to that person or institution;
- (3) The person or institution identified in the mark is not connected with the goods sold or services performed by applicant under the mark; and
- (4) The fame or reputation of the named person or institution is of such a nature that a connection with such person or institution would be presumed when applicant's mark is used on its goods and/or services.

*In re Peter S. Herrick, P.A.*, 91 USPQ2d 1505, 1507 (TTAB 2009); *In re MC MC S.r.l.*, 88 USPQ2d 1378, 1379 (TTAB 2008); TMEP §1203.03(e); *see also Univ. of Notre Dame du Lac v. J.C. Gourmet Food Imps. Co.*, 703 F.2d 1372, 1375-77, 217 USPQ 505, 508-10 (Fed. Cir. 1983) (providing foundational principles for the current four-part test used to determine the existence of a false connection).

The examiner notes the attached advertisements and articles excerpted from a search of the <http://www.google.com> website which demonstrate that Giovanni and Connie Aragona began a shrimp shack in 1994 that became one of the oldest and famous shrimp trucks in Kahuku, O'ahu known as "Giovanni's Original Shrimp Truck". See attachments. It is also noted that the applicant is located in Kahuku, Hawaii. See applicant's address. The applicant has not provided any written consent from Mr. Aragona that his name may be used in the applicant's mark. Given the popularity, fame and history of the Aragona's shrimp truck, there is a likelihood that the term "Giovanni" in the applicant's mark would be read to refer to John "Giovanni" Aragona and his original shrimp truck.

Notably, the term at issue need not be the actual, legal name of the party falsely associated with applicant's mark to be unregistrable. TMEP §1203.03(a); *see, e.g., Buffett v. Chi-Chi's, Inc.*, 226 USPQ 428, 429-30 (TTAB 1985) (holding the wording MARGARITAVILLE to be the persona of singer Jimmy Buffett). The term must, however, be so uniquely and unmistakably associated with the named party as to constitute that party's name or identity. TMEP §1203.03; *see, e.g., In re Cotter & Co.*, 228 USPQ 202, 204 (TTAB 1985); *Buffett*, 226 USPQ at 429.

Accordingly, the mark is refused registration on the Principal Register absent consent to register from John "Giovanni" Aragona. Although applicant's mark has been refused registration, applicant may respond to the refusal(s) by submitting evidence and arguments in support of registration.

#### **SECTION 2(c) REFUSAL – NAME IDENTIFIES A LIVING INDIVIDUAL**

Registration is refused because the applied-for mark consists of or includes a name, portrait, or signature identifying a particular living individual whose written consent to register the mark is not of record. Trademark Act Section 2(c), 15 U.S.C. §1052(c); TMEP §1206; *see, e.g., In re Hoefflin*, 97 USPQ2d 1174 (TTAB 2010).

The refusal under Section 2(c) will be withdrawn if applicant provides the following:

- (1) A statement that the name "GIOVANNI" shown in the mark identifies < **John "Giovanni" Aragona** >, a living individual whose consent is of record. If the name represents that of a

**LuckyU 001626**

pseudonym, stage name, title and name combination, or nickname, applicant must include a statement that “GIOVANNI” identifies the <pseudonym/stage name/title and name/nickname> of <specify actual name>, a living individual whose consent is of record; and

(2) A written consent, personally signed by the individual whose name, signature, or portrait appears in the mark, authorizing applicant to register the identifying matter as a trademark and/or service mark with the USPTO (e.g., “I, John “Giovanni” Aragona, consent to the use and registration by **LuckyU Enterprises, Inc. DBA Giovanni's Original White Shrimp Truck** of my name as a trademark and/or service mark with the USPTO”).

See TMEP §§813, 813.01(a), 1206.04(a).

Applicant is advised that the written consent must include a statement of the party’s consent to applicant’s *registration*, and not just the *use*, of the identifying matter as a trademark. See *Krause v. Krause Publ’ns, Inc.*, 76 USPQ2d 1904, 1912-13 (TTAB 2005); *In re New John Nissen Mannequins*, 227 USPQ 569, 571 (TTAB 1985); *Reed v. Bakers Eng’g & Equip. Co.*, 100 USPQ 196, 199 (PTO 1954); TMEP §1206.04(a).

### **REQUEST FOR INFORMATION**

Applicant must submit the following information to permit proper examination of the application. See 37 C.F.R. §2.61(b); TMEP §§814, 1402.01(e).

Due to the notoriety of the person named in the mark, and the fact that there is no information in the application record regarding a connection with applicant, **applicant must specify whether the person or institution named in the mark has any connection with applicant’s goods and/or services**, and if so, must describe the nature and extent of that connection. See 37 C.F.R. §2.61(b); TMEP §1203.03(e).

Failure to respond to a request for information is an additional ground for refusing registration. See *In re Cheezwhse.com, Inc.*, 85 USPQ2d 1917, 1919 (TTAB 2008); *In re DTIP’ship LLP*, 67 USPQ2d 1699, 1701 (TTAB 2003); TMEP §814.

### **DISCLAIMER**

Applicant must disclaim the descriptive wording “**ORIGINAL WHITE SHRIMP TRUCK**” apart from the mark as shown because it merely describes an ingredient, function, feature and purpose of applicant’s services. See 15 U.S.C. §§1052(e)(1), 1056(a); *In re Steelbuilding.com*, 415 F.3d 1293, 1297, 75 USPQ2d 1420, 1421 (Fed. Cir. 2005); *In re Gyulay*, 820 F.2d 1216, 1217-18, 3 USPQ2d 1009, 1010 (Fed. Cir. 1987); TMEP §§1213, 1213.03(a).

Attached to the previous office action, the applicant will find a dictionary reference wherein the term “original” is defined as “preceding all others in time; first.” See attachments. The previously attached advertisement from www.frommers.com indicates that the applicant’s service “claims to be the first shrimp truck to serve the delicious aquaculture shrimp farmed in the surrounding area” of north shore of Oahu. See previously attached.

A term is merely descriptive if it conveys an immediate idea of the ingredients, qualities, or characteristics of the identified goods and/or services. See *In re Steelbuilding.com*, 415 F.3d 1293, 1297, 75 USPQ2d 1420, 1422 (Fed. Cir. 2005); *In re Dial-A-Mattress Operating Corp.*, 240 F.3d 1341, 1346, 57 USPQ2d

**LuckyU 001627**

1807, 1812 (Fed. Cir. 2001). When used in relation to the services, the immediate idea rendered by the wording ORIGINAL WHITE SHRIMP TRUCK describes the applicant's services. Specifically, it merely informs consumers that the applicant's provision of food and drink services include being the first to serve white shrimp from a truck. Given the descriptive nature of the wording, it lacks source identifying significance and, thus, must be disclaimed.

A "disclaimer" is a statement that applicant does not claim exclusive rights to an unregistrable component of a mark; it does not affect the appearance of the mark. TMEP §1213. An unregistrable component of a mark includes wording and designs that are merely descriptive of the goods and/or services, and is wording or an illustration that others would need to use to describe or show their goods and services in the marketplace. 15 U.S.C. §1052(e); see TMEP §§1209.03(f), 1213.03 et seq.

The following is the standard format used by the Office:

No claim is made to the exclusive right to use "**ORIGINAL WHITE SHRIMP TRUCK**" apart from the mark as shown.

TMEP §1213.08(a)(i); see *In re Owatonna Tool Co.*, 231 USPQ 493 (Comm'r Pats. 1983).

### SPECIMEN

The specimen is not acceptable because it is merely a photocopy of the drawing or a picture or rendering of the applied-for mark; it does not show the applied-for mark in actual use in commerce. See 37 C.F.R. §2.56(c); TMEP §§904.04(a), 904.07(a). Trademark Act Section 45 requires use of the mark "in the sale or advertising of services." 15 U.S.C. §1127; see 37 C.F.R. §2.56(b)(2); TMEP §1301.04.

An application based on Section 1(a) must include a specimen showing the applied-for mark in use in commerce for each class of services. Trademark Act Sections 1 and 45, 15 U.S.C. §§1051, 1127; 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a).

Therefore, applicant must submit the following:

- (1) A substitute specimen showing the mark in use in commerce for each class of services specified in the application; and
- (2) The following statement, verified with an affidavit or signed declaration under 37 C.F.R. §2.20: "**The substitute specimen was in use in commerce at least as early as the filing date of the application.**" 37 C.F.R. §2.59(a); TMEP §904.05; see 37 C.F.R. §2.193(e)(1). If submitting a substitute specimen requires an amendment to the dates of use, applicant must also verify the amended dates. 37 C.F.R. §2.71(c); TMEP §904.05.

Examples of specimens for services are signs, photographs, brochures, website printouts or advertisements that show the mark used in the actual sale or advertising of the services. See TMEP §§1301.04 et seq.

If applicant cannot satisfy the above requirements, applicant may amend the application from a use in commerce basis under Section 1(a) to an intent to use basis under Section 1(b), for which no specimen is required. See TMEP §806.03(c). However, if applicant amends the basis to Section 1(b), registration will not be granted until applicant later amends the application back to use in commerce by filing an acceptable allegation of use with a proper specimen. See 15 U.S.C. §1051(c), (d); 37 C.F.R. §§2.76, 2.88; TMEP

**LuckyU 001628**

§1103.

To amend to Section 1(b), applicant must submit the following statement, verified with an affidavit or signed declaration under 37 C.F.R. §2.20: “ **Applicant has had a bona fide intention to use the mark in commerce on or in connection with the services listed in the application as of the filing date of the application.**” 37 C.F.R. §2.34(a)(2); TMEP §806.01(b); *see* 15 U.S.C. §1051(b); 37 C.F.R. §§2.35(b)(1), 2.193(e)(1).

Pending receipt of a proper response, registration is refused because the specimen does not show the applied-for mark in use in commerce as a service mark. Trademark Act Sections 1 and 45, 15 U.S.C. §§1051, 1127; 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a).

PLEASE NOTE:

If applicant has questions regarding this Office action, please telephone or e-mail the assigned trademark examining attorney. All relevant e-mail communications will be placed in the official application record; however, an e-mail communication will not be accepted as a response to this Office action and will not extend the deadline for filing a proper response. *See* 37 C.F.R. §2.191; TMEP §§709.04-.05. Further, although the trademark examining attorney may provide additional explanation pertaining to the refusal(s) and/or requirement(s) in this Office action, the trademark examining attorney may not provide legal advice or statements about applicant’s rights. *See* TMEP §§705.02, 709.06.

### Shrimp Snacks

No drive to the North Shore is complete without a shrimp stop. Shrimp stands dot Kamehameha Highway from Kahaluu to Kahuku. For under \$10, you can get a shrimp plate lunch or a snack of chilled shrimp with cocktail sauce, served from a rough hut or converted vehicle (many permanently parked), with picnic-table seating.

The shrimp shack phenomenon began with a lost lease and a determined restaurateur. In 1994, when Giovanni and Connie Aragona couldn't renew the lease on their Haleiwa deli, they began hawking their best-selling dish—an Italian-style scampi preparation involving lemon, butter, and lots of garlic—from a truck alongside the road. About the same time, aquaculture was gaining a foothold in nearby Kahuku, with farmers raising sweet, white shrimp and huge, orange-whiskered prawns in shallow freshwater ponds. The ready supply and the success of the first shrimp truck led to many imitators.

Though it's changed hands, that first business lives on as Giovanni's Original Shrimp Truck, parked in Kahuku town. Signature dishes include the garlic shrimp and a spicy shrimp sauté, both worth a stop.

But there's plenty of competition—at least seven stands, trucks, or stalls are operating at any given time, with varying menus (and quality).

Don't be fooled that all of the shrimp comes fresh from the ponds, much of it is imported. The only way you can be sure you're buying local farm-raised shrimp is if the shrimp is still kicking. Romy's Kahuku Prawns and Shrimp Hut (Kamehameha Hwy., near Kahuku) is an arm of one of the longest-running aquaculture farms in the area; they sell live shrimp and prawns and farm-raised fish along with excellent plate lunches. The pan-fried shrimp and buttery, locally-raised corn from the bright-yellow Shrimp Shack, parked at The Ching Store on Kamehameha Highway in Punaluu, is first-rate, too.

## Oahu's North Shore Shrimp Trucks

When you're driving around the island of Oahu, you won't want to miss picking up a delicious shrimp lunch at one of the shrimp trucks parked near Kahuku on Oahu's north shore. There are also several roadside stands in this area where fresh cooked shrimp are sold.

Most of the shrimp trucks on Oahu's north shore are located near the town of Kahuku, which is a well-known shrimp aquaculture area, but you will also find shrimp for sale in several other places along the road between Kualoa and Hale'iwa.

Shrimp plates are ordered at the windows of these shrimp trucks, and it is usually served with two scoops of rice, and sometimes macaroni salad, a green salad, pineapple slices, and/or a lemon slice. Plain unadorned shrimp is available, but the most popular shrimp plates have garlic, lemon butter, hot and spicy, sweet and spicy, or a soy-based sauce. The last time I ate at a shrimp truck the prices were about \$10-12 USD per plate.

The shrimp served at these tricks is delicious, but it is also unpeeled, sometimes unveined, and very messy to eat. Be sure pick up plenty of napkins. Some of the shrimp truck locations have covered picnic tables with hawaiian music is playing.

**The Shrimp Trucks**

**Blue Water Shrimp**

This is one of newest shrimp trucks on Oahu's north shore, and it is one of the trucks that participated in the Turtle Bay Resorts 2005 "Battle of the North Shore Shrimp Trucks". Their shrimp plates come with a salad sprinkled with goat cheese and they have several non-shrimp items on their menu.

**Famous Kahuku Shrimp Truck**

This shrimp truck is usually parked in Kahuku, and they offer shrimp with lemon sauce, spicy sauce, and a sweet black peppersauce. Their menu includes several non-shrimp items.

**Fumi's Kahuku Shrimp and Seafood**

Fumi's brightly painted "Hawaiian sunset" shrimp truck is impossible to miss, and their shrimp plates are simple but delicious. They offer garlic sauce, lemon butter sauce, and a spicy sauce, and plates are served with two scoops of rice, fresh pineapple slices, and a green salad. I have heard that service at some trucks is not friendly, but the people at Fumi's were very and smiling the last time I was there. Fumi's is one of the shrimp trucks that participated in the Turtle Bay Resorts 2005 battle of the North Shore Shrimp Trucks.

**Giovanni's Shrimp Truck**

Giovanni's graffiti-covered white shrimp truck is the oldest and one of the best known shrimp trucks on Oahu's north shore. They usually parked in Kahuku and Hale'iwa. They are most famous for their garlic shrimp that has large chunks of garlic in the sauce, but they also offer lemon butter and spicy sauces.

**Macky's Kahuku Sweet Shrimp** This shrimp truck is owned by Macky Chen's Chen-Lu Shrimp Farm. Plates come with two scoops of rice, a pineapple slice, a piece of sweet potato, and a green salad. Macky's was the winner of the 2005 Battle of the Northshore Shrimp Trucks contest that was part of the Turtle Bay Resort's first annual Seafood Festival. The winning shrimp recipe was suppose to be added to the menu at the Turtle Bay Resort, but I have not been able to find out which of Macky's sauces won the competition. Does anybody know? (please send email to hawaiitravelnewsletter@gmail.com).

**Romy's Kahuku Prawns and Shrimp Hut**

The owners of this roadside shrimp stand at 56-781 Kamehameha Highway in Kahuku use shrimp from their own aquaculture farm, and they offer the standard garlic and spicy sauces, and also a special asian-style house sauce that includes soy sauce and chile sauce. Their menu includes several non-shrimp items.

**The Shrimp Shack**

The Shrimp Shack is a bright yellow shrimp truck that is usually parked near Kaya's Store in Punalu'u. Their menu includes shrimp with either garlic sauce or cocktail sauce, and several other items. I have heard that the Shrimp Shack does not use Kahuku shrimp, but instead prefers to use Kauai shrimp.

business and mass communications. (Journal photo by Dick Kettlewell)

STURGIS - If you hear a rumble at the rally and it doesn't seem to be coming from the bikes, it might be your stomach.

You won't have to look far in downtown Sturgis to find the usual variety of fare, including everything from Rocky Mountain oysters to sweet potatoes, funnel cakes to spiral fries. But in a place seemingly maxed out with food booths, new vendors try their best to stand out by offering something unique.

There's Hawaiian shrimp cooked Italian-style, German sausage and sauerkraut from Idaho and - hard as this may be to believe - healthful food at a booth set up by a Martin woman.

On Monday, few vendors - food or otherwise - were reporting brisk sales, with crowds noticeably smaller than in the past two years. One-dollar bottles of water seemed to be selling as fast as anything in the 98-degree heat, but it was only the first day of the rally, and plenty of motorcycles still were streaming in from Interstate 90. Fresh-squeezed lemonade, available at several stands, also was popular.

Light rain that fell a couple of times in the afternoon cooled things off for a short time and caused some rallygoers to seek shelter under vendor canopies. Still, Sarah Thornton of Sturgis, working at an espresso booth on Main Street, said she was selling a lot more iced coffee than hot.

One place where business was lively was the Wrigley Field Bar and Grill off Exit 30. File gumbo, made with chicken, sausage and rice, was a popular seller at \$4 per bowl.

Demo rides of the new Harley-Davidson V-Rod performance cruiser were popular nearby, and plenty of people were stopping in for a bowl of the hot and spicy dish from Louisiana. Unlike downtown, there are fewer places in that part of town to get a meal.

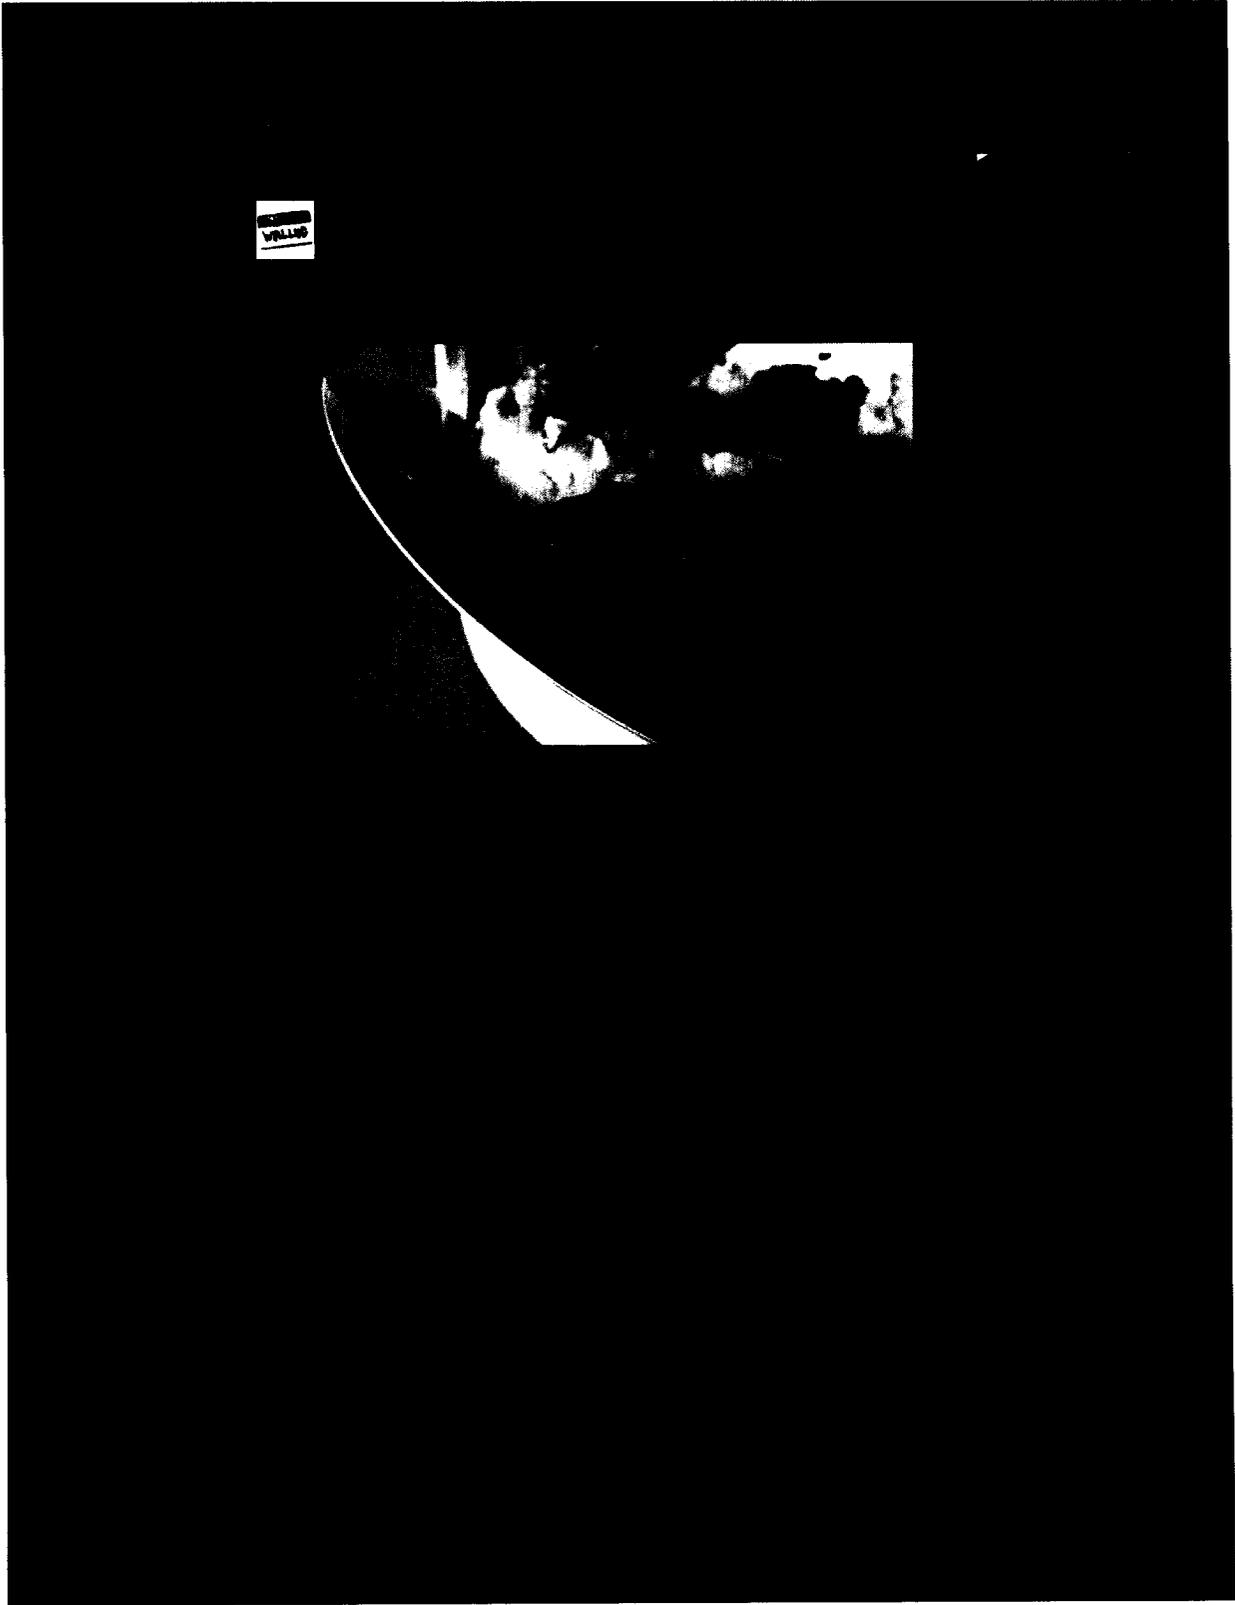

Downtown, Connie Aragona brought 10,000 pounds of jumbo shrimp to the rally to introduce her award-winning product - also hot and spicy - to the mainland. "I need to sell them all by Sunday," said Aragona, who has sold Giovanni's Aloha Shrimp from a truck on Oahu's North Shore since 1994. She sells 6,000 pounds of shrimp a month, cooked to order.

Her 1951 Ford truck has become a landmark there, and Aragona and two business partners hope to market their garlic marinade and hot sauce on the mainland.

The shrimp scampi she's selling at the rally is marinated in chopped garlic, olive oil, lemon, butter and white wine, then sauteed, giving it a strong flavor. It's served on a bed of steamed rice with roasted garlic on top. Hot sauce, made using a recipe from Aragona's great-great-grandparents, is optional. The marinade is a recipe Aragona got from her ex-mother-in-law, a native of Naples. Giovanni is Aragona's ex-husband.

Aragona rides a Harley in Hawaii and had always heard about the Sturgis rally. She decided to launch her product's mainland debut here and already is planning to return next year.

A native of Mozambique who is of Portuguese descent, this is Aragona's first time in the Midwest and her

# What's a drive in the country without shrimp?

*Editor's note: Today we introduce our new restaurant critic, Helen Wu, a graduate of the University of Hawaii (Asian studies) and of the Kapi'olani Community College culinary arts program, where she received outstanding- student and culinary-excellence awards, and also wrote for Kapio, the student journal. Wu wrote for The Advertiser while in school, as well.*

By Helen Wu  
Advertiser Restaurant Critic

No drive to the North Shore is complete without a meal at one of the shrimp stands that have sprouted along the highway as a result of the development of aquaculture farms here. These are now some of the most recognized dining spots in an area of the island not known for food.

My mission was to compare and contrast the shrimp shacks, and I brought my mother (a self-professed shrimp fanatic who can suck in a whole shrimp, head and all, and just spit out the shell). During two forays, we tried garlic butter scampi-style shrimp plates at a half-dozen spots. One caution: Shrimp shacks come and go, and hours vary. Be flexible.

### Shrimp Shack

Bright banana-yellow Shrimp Shack in Punalu'u is the cleanest and quaintest shrimp stop. Owner Irene Theofanis has operated it for six years and was featured on a Food Network special called "Beach Eats." Theofanis uses Kaua'i shrimp and believes they are cleaner because of their special diet and a well-controlled environment in plastic-lined pens with recirculated water.

At Romy's Kahuku Prawns & Shrimp Hut, after the big crustaceans are put on the plate, a sauce loaded with saut'ed garlic chunks is ladled on. The shrimp and prawns are harvested daily from ponds.  
Deborah Booker - The Honolulu Advertiser

The quarter-pound of pan-fried garlic shrimp (at \$9.75, the least expensive plate) equaled 12 pieces and arrived with rice and a choice of homemade cocktail sauce or garlic butter on the side. The shrimp packed just a bit of spicy heat, tasting as if they had been saut'ed in a dry spice rub and lightly salted. Wash it all down with a liliko'i float (\$1.75) or a cold beer from Kaya's next door.

**Also on the menu:** snow crab legs (\$12.75); mussels (\$8.25); chili rice (\$3.50); hot dog (\$2); Kahuku corn on a stick (\$2).

**Ambience:** 11 shaded wooden picnic tables on a manicured lawn. Hawaiian music wafts in the background.

### Giovanni's Original White Shrimp Truck

The sign for graffiti-covered Giovanni's Original White Shrimp Truck says it all. Around for 11 years, this institution among North Shore shrimp stops is the oldest and best known, making *Saveur* magazine's 100 list for 2004. Started by the Aragona family, Giovanni's was sold to current owner Troy Nitsche in 1997. By the time you read this, a new, modernized shrimp truck will have replaced the old one in Kahuku. New graffiti already are beginning to decorate it.

The traditional-style shrimp scampi plate (\$11) had 12 de-veined Neighbor Island shrimps swimming in a succulent, mildly spicy sauce. We couldn't help eating all of the sauce-soaked two scoops of rice even though we were starting to feel the effects of the shrimp and butter. Lots of garlic chunks in the sauce and a huge lemon wedge offer extra flavor. It's easy to see why Giovanni's sells an average of 400 plates a day.

**Also on the menu:** hot and spicy and lemon butter saut'ed shrimp. Half plates, \$6.

**Ambience:** at Kahuku location, six shaded plastic picnic tables set on gravel with requisite Hawaiian music. The Hale'iwa site offers three tables but no shade.

### Famous Kahuku Shrimp Truck

The Famous Kahuku Shrimp Truck is nearly a twin of Giovanni's but with an Asian spin. Owner

Office of the Deputy Commissioner for

SUBJECT: Letter of protest concerning Application Serial No. 85-201283 for the mark "GIOVANNI'S ORIGINAL WHITE SHRIMP TRUCK" for "Providing of food and drink; Providing of food and drink via a mobile truck; Restaurant services, including sit-down service of food and take-out restaurant services; Restaurant services, namely, providing of food and beverages for consumption on and off the premises; Serving food and drinks" in International Class 43.

A letter of protest filed before publication has been accepted because the evidence submitted by the protester is relevant and may support a reasonable ground for refusal appropriate in *ex parte* examination. Therefore, you must consider the following and make an independent determination whether to issue a requirement or refusal based on the objections raised in the letter of protest:

Possible false suggestion of a connection with John "Giovanni" Aragona under Section 2(a), 15 U.S.C. §1052(a), and/or lack of consent of John "Giovanni" Aragona under Section 2(c), 15 U.S.C. §1052(c).

Please see the attached evidence of Mr. Aragona's mobile shrimp truck "Giovanni's Original Shrimp Truck" and menu items sold under the name "Giovanni's Aloha Shrimp."

*NOTE: The acceptance of a letter of protest filed before publication is not a legal determination by the USPTO of registrability, nor is it meant to compromise the integrity of the ex parte examination process. It merely serves to bring the submitted evidence to the attention of the examining attorney, who determines whether a refusal or requirement should be raised or ultimately made final.*

### Shrimp Snacks

No drive to the North Shore is complete without a shrimp stop. Shrimp stands dot Kamehameha Highway from Kahaluu to Kahuku. For under \$10, you can get a shrimp plate lunch or a snack of chilled shrimp with cocktail sauce, served from a rough hut or converted vehicle (many permanently parked), with picnic-table seating.

The shrimp shack phenomenon began with a lost lease and a determined restaurateur. In 1994, when Giovanni and Connie Aragona couldn't renew the lease on their Haleiwa deli, they began hawking their best-selling dish—an Italian-style scampi preparation involving lemon, butter, and lots of garlic—from a truck alongside the road. About the same time, aquaculture was gaining a foothold in nearby Kahuku, with farmers raising sweet, white shrimp and huge, orange-whiskered prawns in shallow freshwater ponds. The ready supply and the success of the first shrimp truck led to many imitators.

Though it's changed hands, that first business lives on as Giovanni's Original Shrimp Truck, parked in Kahuku town. Signature dishes include the garlic shrimp and a spicy shrimp sauté, both worth a stop.

But there's plenty of competition—at least seven stands, trucks, or stalls are operating at any given time, with varying menus (and quality).

Don't be fooled that all of the shrimp comes fresh from the ponds; much of it is imported. The only way you can be sure you're buying local farm-raised shrimp is if the shrimp is still kicking. Romy's Kahuku Prawns and Shrimp Hut (Kamehameha Hwy., near Kahuku) is an arm of one of the longest-running aquaculture farms in the area; they sell live shrimp and prawns and farm-raised fish along with excellent plate lunches. The pan-fried shrimp and buttery, locally-raised corn from the bright-yellow Shrimp Shack, parked at The Ching Store on Kamehameha Highway in Punaluu, is first-rate, too.

## Oahu's North Shore Shrimp Trucks

When you're driving around the island of Oahu, you won't want to miss picking up a delicious shrimp lunch at one of the shrimp trucks parked near Kahuku on Oahu's north shore. There are also several roadside stands in this area where fresh cooked shrimp are sold.

Most of the shrimp trucks on Oahu's north shore are located near the town of Kahuku, which is a well-known shrimp aquaculture area, but you will also find shrimp for sale in several other places along the road between Kualoa and Hale'iwa.

Shrimp plates are ordered at the windows of these shrimp trucks, and it is usually served with two scoops of rice, and sometimes macaroni salad, a green salad, pineapple slices, and/or a lemon slice. Plain unadorned shrimp is available, but the most popular shrimp plates have garlic, lemon butter, hot and spicy, sweet and spicy, or a soy-based sauce. The last time I ate at a shrimp truck the prices were about \$10-12 USD per plate.

The shrimp served at these tricks is delicious, but it is also unpeeled, sometimes unveined, and very messy to eat. Be sure pick up plenty of napkins. Some of the shrimp truck locations have covered picnic tables with hawaiian music is playing.

Fumi's brightly painted "Hawaiian sunset" shrimp truck is impossible to miss, and their shrimp plates are simple but delicious. They offer garlic sauce, lemon butter sauce, and a spicy sauce, and plates are served with two scoops of rice, fresh pineapple slices, and a green salad. I have heard that service at some trucks is not friendly, but the people at Fumi's were very and smiling the last time I was there. Fumi's is one of the shrimp trucks that participated in the Turtle Bay Resorts 2005 battle of the North Shore Shrimp Trucks.

### Giovanni's Shrimp Truck

Giovanni's graffiti-covered white shrimp truck is the oldest and one of the best known shrimp trucks on Oahu's north shore. They usually parked in Kahuku and Hale'iwa. They are most famous for their garlic shrimp that has large chunks of garlic in the sauce, but they also offer lemon butter and spicy sauces.

Macky's was the winner of the 2005 Battle of the Northshore Shrimp Trucks" contest that was part of the Turtle Bay Resort's first annual Seafood Festival. The winning shrimp recipe was suppose to be added to the menu at the Turtle Bay Resort, but I have not been able to find out which of Macky's sauces won the competition. Does anybody know? The owners of this roadside shrimp stand at 56-781 Kamehameha Highway in Kahuku use shrimp from their own aquaculture farm, and they offer the standard garlic and spicy sauces, and also a special asian-style house sauce that includes soy sauce and chile sauce. Their menu includes several non-shrimp items.

**The Shrimp Shack**  
The Shrimp Shack is a bright yellow shrimp truck that is usually parked near Kaya's Store in Punalu'u. Their menu includes shrimp with either garlic sauce or cocktail sauce, and several other items. I have heard that the Shrimp Shack does not use Kahuku shrimp, but instead prefers to use Kauai shrimp.

business and mass communications. (Journal photo by Dick Kettlewell)

STURGIS - If you hear a rumble at the rally and it doesn't seem to be coming from the bikes, it might be your stomach.

You won't have to look far in downtown Sturgis to find the usual variety of fare, including everything from Rocky Mountain oysters to sweet potatoes, funnel cakes to spiral fries. But in a place seemingly maxed out with food booths, new vendors try their best to stand out by offering something unique.

There's Hawaiian shrimp cooked Italian-style, German sausage and sauerkraut from Idaho and - hard as this may be to believe - healthful food at a booth set up by a Martin woman.

On Monday, few vendors - food or otherwise - were reporting brisk sales, with crowds noticeably smaller than in the past two years. One-dollar bottles of water seemed to be selling as fast as anything in the 98-degree heat, but it was only the first day of the rally, and plenty of motorcycles still were streaming in from Interstate 90. Fresh-squeezed lemonade, available at several stands, also was popular.

Light rain that fell a couple of times in the afternoon cooled things off for a short time and caused some rallygoers to seek shelter under vendor canopies. Still, Sarah Thornton of Sturgis, working at an espresso booth on Main Street, said she was selling a lot more iced coffee than hot.

One place where business was lively was the Wrigley Field Bar and Grill off Exit 30. File gumbo, made with chicken, sausage and rice, was a popular seller at \$4 per bowl.

Demo rides of the new Harley-Davidson V-Rod performance cruiser were popular nearby, and plenty of people were stopping in for a bowl of the hot and spicy dish from Louisiana. Unlike downtown, there are fewer places in that part of town to get a meal.

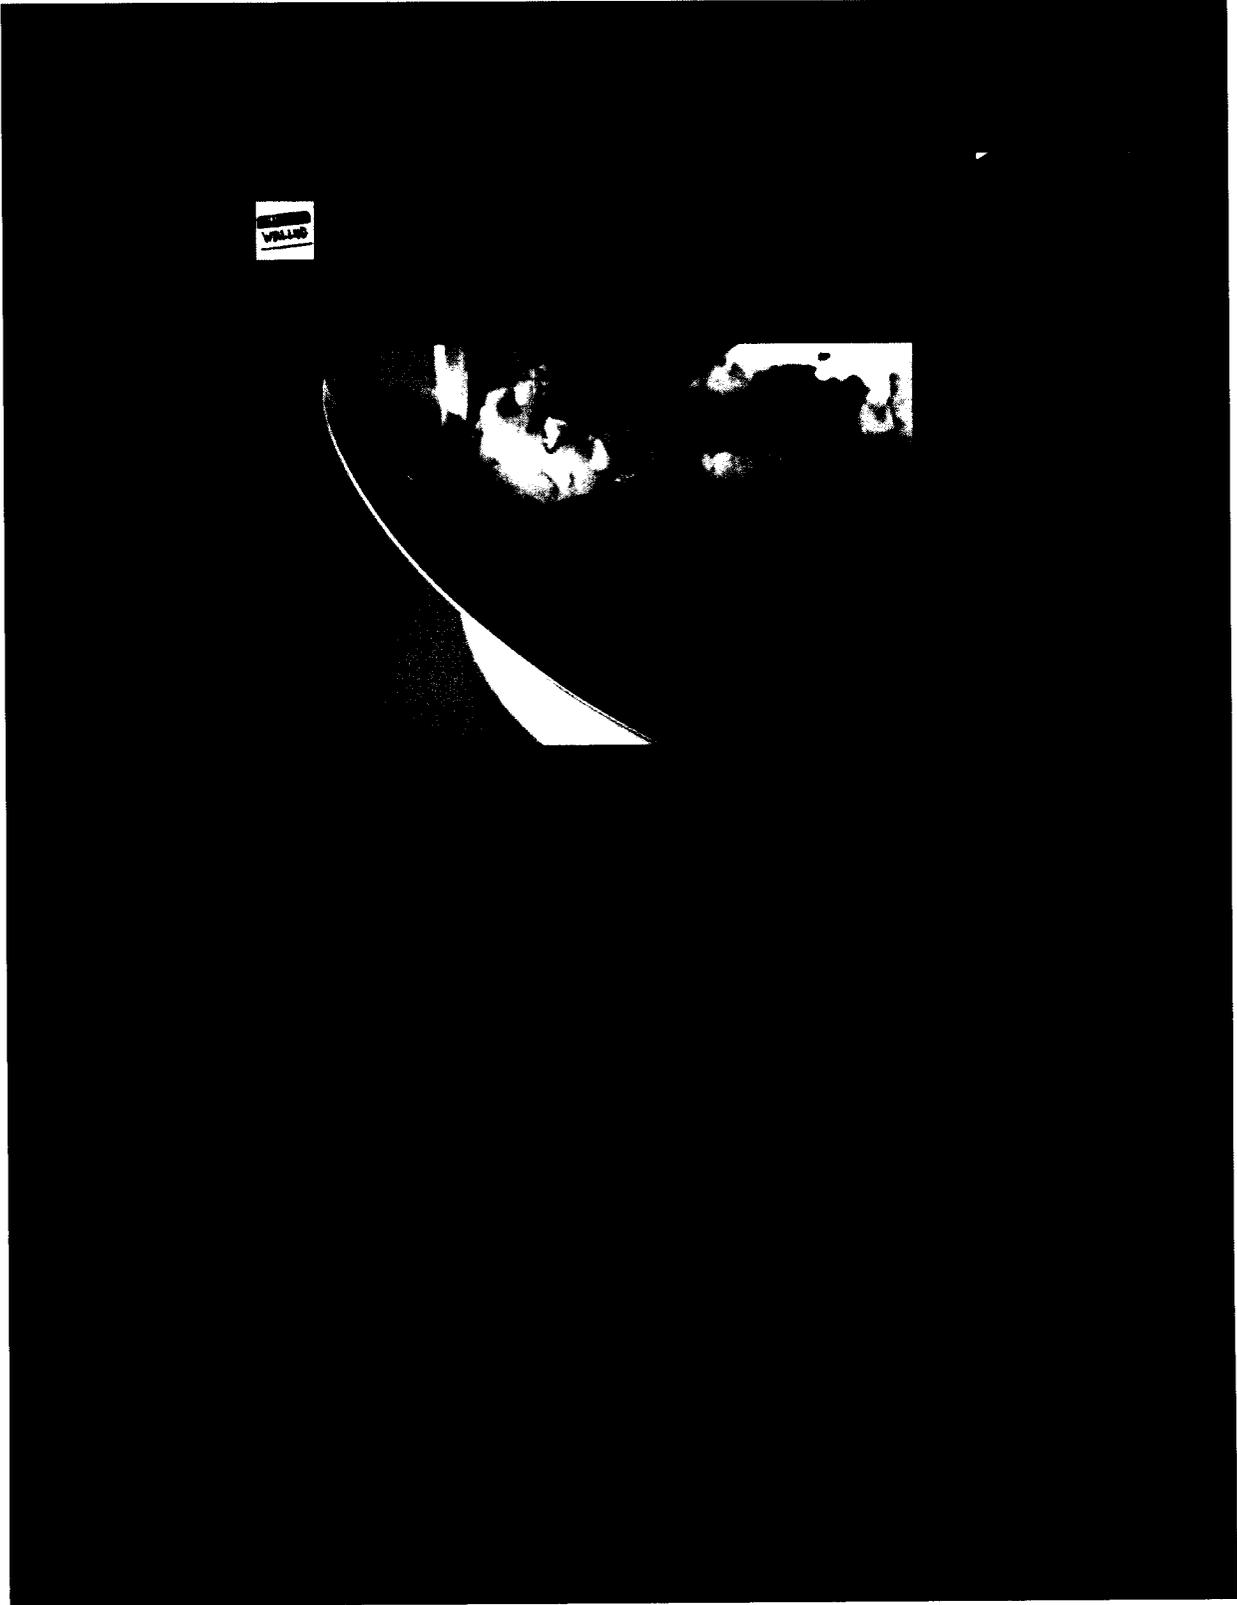

Downtown, Connie Aragona brought 10,000 pounds of jumbo shrimp to the rally to introduce her award-winning product - also hot and spicy - to the mainland. "I need to sell them all by Sunday," said Aragona, who has sold Giovanni's Aloha Shrimp from a truck on Oahu's North Shore since 1994. She sells 6,000 pounds of shrimp a month, cooked to order.

Her 1951 Ford truck has become a landmark there, and Aragona and two business partners hope to market their garlic marinade and hot sauce on the mainland.

The shrimp scampi she's selling at the rally is marinated in chopped garlic, olive oil, lemon, butter and white wine, then sauteed, giving it a strong flavor. It's served on a bed of steamed rice with roasted garlic on top. Hot sauce, made using a recipe from Aragona's great-great-grandparents, is optional. The marinade is a recipe Aragona got from her ex-mother-in-law, a native of Naples. Giovanni is Aragona's ex-husband.

Aragona rides a Harley in Hawaii and had always heard about the Sturgis rally. She decided to launch her product's mainland debut here and already is planning to return next year.

A native of Mozambique who is of Portuguese descent, this is Aragona's first time in the Midwest and her

# What's a drive in the country without shrimp?

*Editor's note: Today we introduce our new restaurant critic, Helen Wu, a graduate of the University of Hawai'i (Asian studies) and of the Kapi'olani Community College culinary arts program, where she received outstanding- student and culinary-excellence awards, and also wrote for Kapi'o, the student journal. Wu wrote for The Advertiser while in school, as well.*

**By Helen Wu**  
Advertiser Restaurant Critic

No drive to the North Shore is complete without a meal at one of the shrimp stands that have sprouted along the highway as a result of the development of aquaculture farms here. These are now some of the most recognized dining spots in an area of the island not known for food.

My mission was to compare and contrast the shrimp shacks, and I brought my mother (a self-professed shrimp fanatic who can suck in a whole shrimp, head and all, and just spit out the shell). During two forays, we tried garlic butter scampi-style shrimp plates at a half-dozen spots. One caution: Shrimp shacks come and go, and hours vary. Be flexible.

### Shrimp Shack

Bright banana-yellow Shrimp Shack in Punalu'u is the cleanest and quaintest shrimp stop. Owner Irene Theofanis has operated it for six years and was featured on a Food Network special called "Beach Eats." Theofanis uses Kaua'i shrimp and believes they are cleaner because of their special diet and a well-controlled environment in plastic-lined pens with recirculated water.

The quarter-pound of pan-fried garlic shrimp (at \$9.75, the least expensive plate) equaled 12 pieces and arrived with rice and a choice of homemade cocktail sauce or garlic butter on the side. The shrimp packed just a bit of spicy heat, tasting as if they had been sautéed in a dry spice rub and lightly salted. Wash it all down with a liliko'i float (\$1.75) or a cold beer from Kaya's next door.

**Also on the menu:** snow crab legs (\$12.75); mussels (\$8.25); chili rice (\$3.50); hot dog (\$2); Kahuku corn on a stick (\$2).

**Ambience:** 11 shaded wooden picnic tables on a manicured lawn. Hawaiian music wafts in the background.

### Giovanni's Original White Shrimp Truck

The sign for graffiti-covered Giovanni's Original White Shrimp Truck says it all. Around for 11 years, this institution among North Shore shrimp stops is the oldest and best known, making *Saveur* magazine's 100 list for 2004. Started by the Aragona family, Giovanni's was sold to current owner Troy Nitsche in 1997. By the time you read this, a new, modernized shrimp truck will have replaced the old one in Kahuku. New graffiti already are beginning to decorate it.

The traditional-style shrimp scampi plate (\$11) had 12 de-veined Neighbor Island shrimps swimming in a succulent, mildly spicy sauce. We couldn't help eating all of the sauce-soaked two scoops of rice even though we were starting to feel the effects of the shrimp and butter. Lots of garlic chunks in the sauce and a huge lemon wedge offer extra flavor. It's easy to see why Giovanni's sells an average of 400 plates a day.

**Also on the menu:** hot and spicy and lemon butter sautéed shrimp. Half plates, \$6.

**Ambience:** at Kahuku location, six shaded plastic picnic tables set on gravel with requisite Hawaiian music. The Hale'iwa site offers three tables but no shade.

### Famous Kahuku Shrimp Truck

The Famous Kahuku Shrimp Truck is nearly a twin of Giovanni's but with an Asian spin. Owner

At Romy's Kahuku Prawns & Shrimp Hut, after the big crustaceans are put on the plate, a sauce loaded with sautéed garlic chunks is ladled on. The shrimp and prawns are harvested daily from ponds. Deborah Booker • The Honolulu Advertiser

**TO EXPEDITE APPLICATION:**

The issue(s) raised may be resolved by telephone. The applicant may telephone the examining attorney at (571) 272-9713 or [skye.young@uspto.gov](mailto:skye.young@uspto.gov), instead of submitting a written response, to expedite the application.

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

**SEARCH**

The trademark examining attorney has searched the Office's database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). TMEP §704.02; *see* 15 U.S.C. §1052(d).

**DISCLAIMER**

Applicant must disclaim the descriptive wording "**ORIGINAL WHITE SHRIMP TRUCK**" apart from the mark as shown because it merely describes an ingredient, function, feature and purpose of applicant's services. *See* 15 U.S.C. §§1052(e)(1), 1056(a); *In re Steelbuilding.com*, 415 F.3d 1293, 1297, 75 USPQ2d 1420, 1421 (Fed. Cir. 2005); *In re Gyulay*, 820 F.2d 1216, 1217-18, 3 USPQ2d 1009, 1010 (Fed. Cir. 1987); TMEP §§1213, 1213.03(a).

Attached to this action, the applicant will find a dictionary reference wherein the term "original" is defined as "preceding all others in time; first." See attachments. The attached advertisement from [www.frommers.com](http://www.frommers.com) indicates advertises that the applicant's service "claims to be the first shrimp truck to serve the delicious aquaculture shrimp farmed in the surrounding area" of north shore of Oahu. See attached.<sup>[1]</sup>

A term is merely descriptive if it conveys **an immediate idea** of the ingredients, qualities, or characteristics of the identified goods and/or services. *See In re Steelbuilding.com*, 415 F.3d 1293, 1297, 75 USPQ2d 1420, 1422 (Fed. Cir. 2005); *In re Dial-A-Mattress Operating Corp.*, 240 F.3d 1341, 1346, 57 USPQ2d 1807, 1812 (Fed. Cir. 2001). When used in relation to the services, the immediate idea rendered by the wording ORIGINAL WHITE SHRIMP TRUCK describes the applicant's services. Specifically, it merely informs consumers that the applicant's provision of food and drink services include being the first to serve white shrimp from a truck. Given the descriptive nature of the wording, it lacks source identifying significance and, thus, must be disclaimed.

A "disclaimer" is a statement that applicant does not claim exclusive rights to an unregistrable component of a mark; it does not affect the appearance of the mark. TMEP §1213. An unregistrable component of a mark includes wording and designs that are merely descriptive of the goods and/or services, and is wording or an illustration that others would need to use to describe or show their goods and services in the marketplace. 15 U.S.C. §1052(e); *see* TMEP §§1209.03(f), 1213.03 *et seq.*

The following is the standard format used by the Office:

**No claim is made to the exclusive right to use "ORIGINAL WHITE SHRIMP TRUCK" apart from the mark as shown.**

**LuckyU 001689**

TMEP §1213.08(a)(i); *see In re Owatonna Tool Co.*, 231 USPQ 493 (Comm'r Pats. 1983).

### SPECIMEN

The specimen is not acceptable because it is merely a photocopy of the drawing or a picture or rendering of the applied-for mark; it does not show the applied-for mark in actual use in commerce. *See* 37 C.F.R. §2.56(c); TMEP §§904.04(a), 904.07(a). Trademark Act Section 45 requires use of the mark “in the sale or advertising of services.” 15 U.S.C. §1127; *see* 37 C.F.R. §2.56(b)(2); TMEP §1301.04.

An application based on Section 1(a) must include a specimen showing the applied-for mark in use in commerce for each class of services. Trademark Act Sections 1 and 45, 15 U.S.C. §§1051, 1127; 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a).

Therefore, applicant must submit the following:

- (1) A substitute specimen showing the mark in use in commerce for each class of services specified in the application; and
- (2) The following statement, verified with an affidavit or signed declaration under 37 C.F.R. §2.20: “**The substitute specimen was in use in commerce at least as early as the filing date of the application.**” 37 C.F.R. §2.59(a); TMEP §904.05; *see* 37 C.F.R. §2.193(e)(1). If submitting a substitute specimen requires an amendment to the dates of use, applicant must also verify the amended dates. 37 C.F.R. §2.71(c); TMEP §904.05.

Examples of specimens for services are signs, photographs, brochures, website printouts or advertisements that show the mark used in the actual sale or advertising of the services. *See* TMEP §§1301.04 *et seq.*

If applicant cannot satisfy the above requirements, applicant may amend the application from a use in commerce basis under Section 1(a) to an intent to use basis under Section 1(b), for which no specimen is required. *See* TMEP §806.03(c). However, if applicant amends the basis to Section 1(b), registration will not be granted until applicant later amends the application back to use in commerce by filing an acceptable allegation of use with a proper specimen. *See* 15 U.S.C. §1051(c), (d); 37 C.F.R. §§2.76, 2.88; TMEP §1103.

To amend to Section 1(b), applicant must submit the following statement, verified with an affidavit or signed declaration under 37 C.F.R. §2.20: “**Applicant has had a bona fide intention to use the mark in commerce on or in connection with the services listed in the application as of the filing date of the application.**” 37 C.F.R. §2.34(a)(2); TMEP §806.01(b); *see* 15 U.S.C. §1051(b); 37 C.F.R. §§2.35(b)(1), 2.193(e)(1).

Pending receipt of a proper response, registration is refused because the specimen does not show the applied-for mark in use in commerce as a service mark. Trademark Act Sections 1 and 45, 15 U.S.C. §§1051, 1127; 37 C.F.R. §§2.34(a)(1)(iv), 2.56(a); TMEP §§904, 904.07(a).

PLEASE NOTE:

If applicant has questions about the application or this Office action, please telephone the assigned trademark examining attorney at the telephone number below.

## Restaurants

You won't go hungry on Oahu. The full range of choices here includes chef-owned glamour restaurants, neighborhood eateries, fast-food joints, ethnic spots, and restaurants and food courts in shopping malls.

Our recommendations are organized by location, beginning with Waikiki, proceeding to neighborhoods west and east of Waikiki, and ending with the Windward Coast and the North Shore.

The culinary scene seems to change each year, and the current trends in Hawaii center on emphasizing organic and locally grown produce (with some restaurants actually naming the farms that grew the lettuce), small plates, sample tastings and even bite-size desserts, interesting and unusual specialty sandwiches on a variety of breads (from spelt to wraps), and exotic salt (in a range of colors and flavors). Hawaii regional cuisine and Pacific regional cuisine still reign supreme in Hawaii, as well as Pan-Asian and Mediterranean.

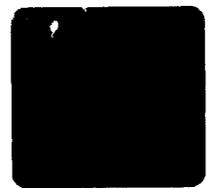

Whatever you have a hankering for, you'll find it on Oahu. My advice is to be adventurous, try new and different cuisine, and sample foods you've never heard of. It's moments like these

new and different cuisine, and sample foods you've never heard of. It's moments like these that create great memories.

### Waikiki

**Dining in Waikiki 24-7** -- If your flight to Honolulu arrives late and you're starving, your knight in shining armor in Waikiki is the newly opened **MAC 24-7** (which stands for Modern American Cooking, 24 hours a day, 7 days a week), at the **Hilton Waikiki Prince Kuhio Hotel**, 2500 Kuhio Ave. (at Liliuokalani Ave.; tel. **808/921-5564**). All day, every day, the kitchen offers everything from breakfast, lunch, and dinner to snacks and desserts, and the bar pours drinks all day, except between 4 and 6am. It's not just for late-night dining (although it comes in handy, as Waikiki eateries shut down by 10-11pm), it's also a great place to get picnic lunches during the day.

The cuisine is coffee shop/diner "comfort" food, reasonably priced for Waikiki (\$4-\$28, with most entrees in the \$15-\$28 range), and plenty of it. Portions can feed two and, in some cases, three people. My pick for best meal of the day is breakfast, where the six-pack of buttery cinnamon rolls (\$6) will feed three and the yummy wild blueberry pancakes (\$15) are supersized (three pancakes, each one 14 in. in diameter), plenty for two hungry people. Another must-try from the menu: the delicious meatloaf with garlic mashed potatoes and mushroom gravy (\$18). The view from the floor-to-ceiling windows is of the landscaped gardens in the lobby. The decor is sophisticated but sparse with splashes of bright color, and the waitstaff is friendly and helpful.

### Downtown

Downtowners love the informal walk-in cafes lining one side of attractive **Bishop Square**, at 1001 Bishop St. (at King St.), in the middle of the business district, where free entertainment is offered every Friday during lunch hour. The popular **Che Pasta** is a stalwart here, chic enough for business meetings but not too formal (or expensive) for a spontaneous rendezvous over pasta and minestrone. Some places in Bishop Square open for breakfast and lunch, others just for lunch, but most close when business offices empty.

**Note:** Keep in mind that **Restaurant Row** (Ala Moana Blvd., btw. Punchbowl and South St.), which features several hot new establishments, offers free validated parking in the evening.

### The North Shore

**The [redacted] Trucks** -- The best, sweetest, juiciest [redacted] you are ever going to eat will be from a [redacted] [redacted] on Oahu's North Shore. Several trucks line up around the entry to Haleiwa, just off the Kamehameha Highway, but here are my two favorites:

**Giovanni's Original White Shrimp Truck** (tel. **808/293-1839**), which usually parks across the street from the Haleiwa Senior Housing (or McDonald's), claims to be the first **shrimp truck** to serve the delicious aquaculture **shrimp** farmed in the surrounding area. The menu is simple: spicy-garlic (or lemon-and-butter) **shrimp**. Skip the lemon-and-butter (boring), and go for the garlic (my fave) or the spicy (but beware -- it really packs a punch). The battered **white truck** has picnic tables under its awning, so you can munch away right there.

**Holy Smokes: Hawaiian Meats and Seafood**, the other [redacted] parked in the same area, has a bit more extensive menu; in addition to the famous [redacted], it offers pork spare ribs (\$10), smoked chicken (\$6), and a steak plate (\$10).

smoked chicken (\$9), and a steak plate (\$12).

The trucks are usually in place before noon and stay until about sunset. Depending on how much  you can down, expect to spend no more than \$12 per person.

**LUAU!** -- The sun is setting, the Tiki torches are lit, the pig is taken from the *imu* (an oven in the earth), the drums begin pounding -- it's luau time! And now there is a luau on the North Shore, the **Turtle Bay Resort** presents its **Voyages of Polynesia Luau** on the lawn overlooking the ocean. It includes a "Taste of the Islands" luau buffet and a Polynesian revue featuring the songs and dances of the Tuamotu Islands, Samoa, Tahiti, Fiji, and Hawaii. Tickets for the Friday-night dinner and show are \$95 for adults and \$65 for children ages 4 to 11. To book, call tel. **808/293-6000**.

#### **Hey, No Smoking in Hawaii**

Well, not totally no smoking, but Hawaii has one of the toughest laws against smoking in the U.S. It's against the law to smoke in public buildings, including airports, shopping malls, grocery stores, retail shops, buses, movie theaters, banks, convention facilities, and all government buildings and facilities. There is no smoking in restaurants, bars, and nightclubs. Most bed-and-breakfasts prohibit smoking indoors; more and more hotels and resorts are becoming nonsmoking, even in public areas. Also, there is no smoking within 20 feet of a doorway, window, or ventilation intake (no hanging around outside a bar to smoke, you must go 20 ft. away). Even some beaches have no-smoking policies (and on those that allow smoking, you'd better pick up your butts and not use the sand as your own private ashtray -- or face stiff fines). In Hawaii, breathing fresh clean air is "in" and smoking is "out."

#### **Room Service from 50 Different Restaurants**

You are not limited to the room service menu in your hotel room; **Room Service in Paradise** (tel. **808/941-DINE** [3463]; [www.941-dine.com](http://www.941-dine.com)) delivers almost a dozen different cuisines (from American/Pacific Rim to Italian to sandwiches and burgers) from oodles of restaurants to your hotel room. All you do is select a restaurant and order what you want (peruse the online menus or pick up one of the magazines in various Waikiki locations). You are charged for the food, a \$7.25 to \$8.25 delivery charge in Waikiki (more in outlying areas), and a tip for the driver. Both lunch and dinner are available; call in advance, and your food will be delivered whenever you want. Best of all, you can pay with your credit card.

#### **Tasty Tours for the Hungry Traveler**

See Honolulu -- one restaurant at a time. Former Honolulu newspaper food critic and chef Matthew Gray has put together "**Hawaii Food Tours**" to show you a side of Hawaii that you would not discover on your own. He offers three different types of tours, all with transportation from your Waikiki hotel in an air-conditioned van and all with running commentary on Hawaii's history, culture, and architecture. Our favorite was the "Hole-in-the-Wall Tour," a lunch tour from 10am to 2pm for \$99 per person, where you visit at least four different ethnic restaurants (Vietnamese, Indian, local food, and dessert). Mathew has already preordered the best dishes from their menus. He also offers the "Hawaiian Feast in Paradise," a three-course feast in contemporary Hawaiian foods for \$149, and a "Gourmet Trilogy Tour" of three different restaurants with everything from champagne to a decadent dessert for \$199 per person. For information and booking, call tel. **800/715-2468** or 808/926-FOOD [3663], or go to [www.hawaiifoodtours.com](http://www.hawaiifoodtours.com).

### Attention Condo Dwellers: Fix, Freeze & Feed Dinners

If you are staying in a condo or other accommodations with kitchen facilities, there is an alternative to eating out every night or slaving over a stove during your vacation, and its name is Dream Dinners. **Dream Dinners**, Niu Valley Shopping Center, 549 Halemaumau St. (tel. **808/373-1221**; [www.dreamdinners.com](http://www.dreamdinners.com)), is a "meal assembly kitchen," where you gather all the ingredients for your own heat-and-serve meals, using the recipes and prepared ingredients they provide. After signing up online and booking an appointment, you go through an assembly line choosing various fixings for your entrees. You can freeze or just refrigerate the meals and serve a gourmet dinner for a fraction of the cost of eating out. When this guide was published, entrees (which included chicken with honey, garlic, and orange; lemon fish filets; arroz con pollo; lasagna; steakhouse sirloin; and risotto primavera) ranged in price from \$4 to \$6 per serving. The downsides of this great money-saver are that it's only best for groups or families (you choose 3-6 servings per dinner), it's located in Niu Valley (away from most visitor accommodations), and you need at least 1 to 2 hours to do your "shopping."
