v.

UVCleaning Systems, Inc.

Eric McWilliams, Supervisory Paralegal:

Registrant's motion to lift suspension and for summary judgment dated June 27, 2014, and petitioner's consented motion dated July 16, 2014, to extend its time to file a response to registrant's motion for summary judgment are both noted. Petitioner's consented motion to extend is granted and petitioner's time to respond to registrant's motion for summary judgment is extended for thirty days. Trademark Rule 2.127(a).

Registrant's motion to lift suspension is granted to the extent that proceedings are now suspended pending disposition of the motion for summary judgment. Any paper filed during the pendency of this motion which is not relevant thereto will be given no consideration. See Trademark Rule 2.127(d).

In addition to tolling the time to respond to outstanding discovery requests, suspension of proceedings tolls the time for parties to make required disclosures. See TBMP § 528.03.

The motion for summary judgment will be decided in due course.
