RE: TM Reg. # 4278610 – TRAP
CC: Ms. Christen English, ESQ.

92057413

To Whom It May Concern:

This office represents Mr. Ellie Nahum and Traphouse Clothing (“Trap”). It has just come to our attention today, August 30, 2013, that the aforementioned trademark had a cancellation proceeding filed against it.

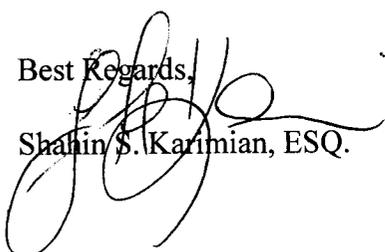

The documents of this action were attempted to be sent to my client’s old address in Sherman Oaks, CA. My client has not been at that address for about a year. My office was never sent any correspondence or duplicates of this action.

Both Plaintiff and Plaintiff’s counsel were aware of my client’s representation by this office; however, I was not notified about the action filed against my client’s trademark. We feel that the lack of notification to this office was intentional, perhaps done to ensure a lack of response to the claims at hand. This action only came to our attention when a search was being done by potential investors.

We are requesting extended time on this petition due the lack of proper service. We were not given any proper notification of a claim, and as such, were unable to respond timely. It would be inequitable to allow a cancellation of a trademark without our ability to respond to the claims appropriately.

Please feel free to contact me directly at (310) 402-2237 X 102 or by email at sk@karimianlg.com.

Thank you for your prompt attention and consideration to this matter.

Best Regards,

Shahin S. Karimian, ESQ.
