v.

Soundset, LLC

**Lalita Greer, Paralegal Specialist:**

The Board notes that on January 28, 2014, petitioner filed with the Board a copy of its initial disclosures that were apparently served on counsel for registrant. However, initial disclosures, like requests for discovery, responses thereto, and materials or depositions obtained through the discovery process, should not be filed with the Board except when submitted (1) with a motion relating to discovery; or (2) in support of or response to a motion for summary judgment; or (3) under a notice of reliance during a party's testimony period; or (4) as exhibits to a testimony deposition; or (5) in support of an objection to proffered evidence on the ground that the evidence should

have been, but was not, provided in response to a request for discovery. See Trademark Rule 2.120(j)(8).

In view thereof, petitioner is advised that the Board will give no further consideration to petitioner's initial disclosures, filed January 28, 2014.

On January 30, 2014, petitioner filed a motion to further suspend this proceeding for an additional sixty (60) days to allow parties time to continue their settlement negotiations.<sup>1</sup>

Accordingly, the motion is granted and proceedings herein remain suspended for sixty days, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out in petitioner's motion.

---

<sup>1</sup> Petitioner's motion filed January 30, 2014, fails to indicate proof of service on registrant, as required by Trademark Rule 2.119. In order to expedite this matter, a copy of the (January 30, 2014) paper is forwarded herewith to registrant's counsel. Notwithstanding, strict compliance with Trademark Rule 2.119 is required by petitioner in all future papers filed with the Board.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
