v.

World Wrestling Entertainment, Inc.

Andrew P. Baxley, Interlocutory Attorney:

In a June 23, 2014 order, the Board determined that petitioner's motion (filed December 18, 2013) to vacate entry of default judgment and all of his subsequent filings were not properly before the Board. Accordingly, the Board declined to consider those filings.

On July 2, 2014, petitioner filed an inquiry as to the status of his filings. The July 2, 2014 filing appears to have crossed in the mail with the June 23, 2014 order. The July 2, 2014 communication was filed without proof of service upon respondent and is otherwise not properly before the Board. See Trademark Rule 2.127(a) and the Board's June 23, 2014 order. Accordingly, that communication will receive no consideration.
