v.

Qiaqia Food Co., Ltd.

Rochelle Adams, Paralegal Specialist:

Respondent's consented motion filed July 28, 2015 to extend disclosure, discovery and trial dates is noted.

Accordingly, Respondent's motion to further extend is hereby *Denied* for failure to submit a status report of the parties' settlement efforts, as required and outlined in the Boards order dated December 24, 2014. Dates remain as set in the last extension request granted on June 3, 2015.

As a final matter, to the extent the parties file a revised consented motion to suspend for settlement that includes the required status report, **the parties are precluded from employing the Board's ESTTA "consented motions" form; instead, they should utilize the "general filings" form and attach the consented motion to suspend and status report in PDF format, including the desired trial schedule upon resumption from the requested suspension time.**

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.
