**HOW DOES PUSH-UP & UP WORK?**

This fundraising event is designed to literally “push-up” at-risk youth in the Charleston area. Participate on your own or form a team. You can begin training and start raising money for this important cause.

**Teams of 6 people compete to complete as many push-ups as possible in 30 minutes.**

1. Competitive Division - Push it to the max! Hard-core, official push-up technique.
  2. Open Division - Have some fun! More flexibility on push-up technique and pace.
  3. School Division - Open to all Middle Schools and High Schools.
- **Push-Up & Up Challenge Charleston** is a family-friendly event with sponsored booths, food and entertainment while focusing on community wellness.
  - **Proceeds raised** from the event will support dropout prevention programs through Communities In Schools (CIS). CIS is a nonprofit agency that surrounds students with a community of support, empowering them to stay in school and achieve in life.
  - **Registration is \$150.00 per team** (\$25 per person). Teams are comprised of individuals from local businesses, gyms, community groups, sports teams, families, friends, and schools.
  - In addition to training for the 30-minute competition, each team will be challenged to raise at least \$1,000 leading up to the event. Team members will ask friends, family, or businesses to “sponsor their push-ups” at \$1 per push-up for any number of push-ups they would like.
    - Prizes will be given for teams raising the most money. *All team members get t-shirts.*
  - For School Teams, registration is free and fundraising is encouraged, but not required.
  - \*\*\*School Teams that raise \$500 by April 21st will receive free Push-Up & Up T-Shirts.

• Charleston County School District has embraced the Push-Up & Up Challenge as part of its Wellness Initiative and Superintendent's Cup. All schools -- public, private and parochial -- are invited to form teams and participate in the school division challenge at 9 am on the same day for a 20-minute competition.

• There are six ways to participate:

1. As part of a team to compete and raise money.
2. As an individual donor, sponsoring any # push-ups at \$1 per push-up.
3. As a CIS School Team Sponsor at \$500 per team.
4. As a Premium Giveaway Sponsor at \$3,000 or \$1,500.
5. As a major Event Sponsor at \$10,000, \$5,000, \$2,500, or \$1,000
6. As a volunteer at the event day or before.

Office for Victims of Crime

**OVC**

Every day, children across South Carolina suffer from abuse and neglect. In 2010, over 12,000 children were victims of abuse and neglect. In addition, over 56,000 of South Carolina's children live in the full-time care of grandparents and other relatives so that they will not have to enter the foster care system.

At HALOS (Helping And Lending Outreach Support), we provide assistance to abused and neglected children in Charleston County and to their caregivers. Through a variety of programs and initiatives, we help to improve the lives of these children.

Thirty-Three Productions, Inc. - Merging the Power of Music, Art & Media to Unite the World for Social Change

PEAPOD FOUNDATION

The Peapod Foundation on behalf of the Black Eyed Peas. The organization was created to be a global leader in encouraging social change by uniting people through the universal language of music. The foundation provided support for social issues affecting children worldwide, including: Shelter/Housing, Healthcare, Education, Poverty, and Music/Artistic Education. The Peapod Foundation was established as a donor-advised fund of the Entertainment Industry Foundation (EIF), the philanthropic leader of the entertainment industry and was architected and run in association with Thirty-Three Productions, Inc.

## Peapod Benefit Concert • South Africa

Miller Genuine Draft presented The Peapod Benefit Concert featuring The Black Eyed Peas and friends. The concert was the first major philanthropic endeavor for The Peapod Foundation, founded by The Black Eyed Peas in association with the Entertainment Industry Foundation. The event helped to raise awareness for The Peapod Foundation's philanthropic work in the region. The Peapod took place Sunday, May 28th, 2006 at Johannesburg Stadium at Ellis Park in South Africa. The benefit concert was produced by Tony Feldman and Showtime Management and executive produced by Christine Hansen and Thirty-Three Productions, Inc.

The Peapod Foundation Benefit was headlined by two-time Grammy winning multi-platinum artists, The Black Eyed Peas. Inspired by their first trip to South Africa in 2004, this gift from The Peapod Foundation made possible by the support of Miller Genuine Draft, brought The Peas together to perform alongside acclaimed South African artists and dancers to deliver an entertainment experience of historical proportion.

"Two years ago we played to commemorate 10 Years of Freedom in South Africa and I made a promise that we would return to give a free show for the people who may never have the chance to get down and celebrate with The Black Eyed Peas, in the true spirit of The Peapod," said will.i.am of The Black Eyed Peas. "It is with great pride that we bring The Peapod to South Africa thanks to the generosity of fellow Peas: Fergie, apl.de.ap, and Taboo, and our band Bucky Jonson, along with Miller Genuine Draft."

To ensure these tickets are distributed to the many that might not otherwise be able to participate in a concert event of this magnitude, alliances are being implemented with local newspapers throughout the region, in conjunction with a manual distribution system within local townships. Additionally, a portion of the tickets will be distributed via a text messaging campaign implemented by Miller Genuine Draft in association with The Peapod Foundation, to raise awareness and funds for the Shanduka Foundation and their Adopt-A-School Program.

"The Peapod Foundation is committed to uniting people on a global scale, via the universal language of music, to bridge cultural boundaries and make a difference in our world," said Christine Hansen, CEO of The Peapod Foundation and President & CEO of Thirty-Three Productions, Inc. "We are unbelievably excited to deliver on our promise to South Africa, and sincerely thank Tony Feldman, The Black Eyed Peas and the Miller Genuine Draft Company for the opportunity to bring our dream to reality."

### **The Opportunity Gap is Real**

Low-income high school students are graduating at a rate 15 percentage points behind their more affluent peers, according to the 2015 Building a Grad Nation report. The growth and spread of concentrated poverty in schools and neighborhoods has enormous consequences for the nation's most disadvantaged students. One of these consequences is an "opportunity gap," the large disparity in access to resources, services and experiences for low-income children.

PROMISE®

We work with both nutritionists and chefs to develop products that can help consumers maintain a healthy heart.

OVERVIEW | FROM OUR RANGE | FURTHER INFO

LOVE YOUR HEART™

At Promise®, we work with both nutritionists and chefs to develop products that can help consumers maintain a healthy heart.

Promise® soft spreads (Promise® Buttery and Promise® Light) help maintain a healthy heart when eaten instead of butter or margarine, as part of a diet low in saturated fat, trans fat, and cholesterol. Promise® Spreads are delicious, buttery-tasting spreads that contain no partially hydrogenated oils and 0 grams trans fat per serving. Promise® Buttery and Light spreads also contain essential fatty acids like omega-3 alpha-linolenic acid (ALA) and omega-6 linolenic acid (LA), along with important vitamins. (Promise® Buttery Spread contains 8g fat and 1.5g saturated fat per serving. Promise® Light Spread contains 5g fat and 1g saturated fat per serving.)

Our Promise activ® Light Spread, which is specially formulated with plant sterols, has been clinically proven to significantly reduce cholesterol as part of a healthy diet low in saturated fat and cholesterol.\*\*

The Promise® Spreads product line includes various items to meet your taste and nutrition needs, including Promise® Buttery Spread, Promise® Light Spread and Promise activ® Light Spread.

A BETTER NUTRITION OPTION

Promise® soft spreads are a better nutrition option than butter because they are made with a blend of vegetable oils, including soybean and canola, and contain at least 75% less saturated fat than butter and no cholesterol.

Saturated and trans fats are the main dietary factors in raising blood cholesterol, a risk factor for heart disease. The American Heart Association (AHA) 2006 Diet and Lifestyle Recommendations suggest intakes of less than 7% of energy as saturated fat, less than 1% of energy as trans fat, and less than 300 milligrams of cholesterol per day.

Research shows that replacing saturated and trans fat with unsaturated fats can help maintain heart health. The National Cholesterol Education Program (NCEP) and the Dietary Guidelines for Americans state that the majority of the fat in the diet should come from polyunsaturated and monounsaturated sources.

To assist in meeting these guidelines, leading health professional organizations, among other dietary factors, suggest using a soft spread as a substitute for butter (look for 0 grams trans fat on the nutrition facts label) and choosing products that contain 2 grams or less of saturated fat per serving. See the chart below to find the saturated fat content of all of the Promise® soft spread products. All soft spread products contain no hydrogenated oils and 0 grams trans fat per serving.

### Western Union Celebrates Impact of Award-Winning Our World, Our Family Program: Five Years, \$50 Million, Five Million Lives

Monday, February 25, 2013 08:00 AM

ENGLEWOOD, Colo.--(BUSINESS WIRE)-- On International Corporate Philanthropy Day, the Western Union Company (NYSE:WU) and The Western Union Foundation are celebrating the success of Western Union's *Our World, Our Family*® program. Launched in 2007, the program committed \$50 million over five years to promote economic opportunity and help families stay connected, overcome barriers, and realize their dreams. A [new report](#) details the program's impact, including having:

- Reached five million people in 70 countries
- Provided education tools, including scholarships, to one million students
- Offered integration support to nearly 270,000 global migrants
- Supported 455,000 entrepreneurs with loans and business training
- Provided financial literacy resources and training to more than 550,000 people
- Delivered disaster relief and recovery support to 900,000 people

"Our business is a positive force for growth, helping people send money to loved ones and business partners in 200 countries and territories," said Luella Chavez D'Angelo, chief communications officer, Western Union. "The *Our World, Our Family* program has helped us focus our business and our giving together for an even greater impact on consumers and their communities. I believe our passion for our customers sets us apart, and I am very proud of what we have accomplished."

The [Clinton Global Initiative](#) recognized the *Our World, Our Family* program as a commitment on-stage at its 2008 Annual Meeting and [CECP](#) honored the program with its prestigious Excellence Award in 2009. The award jury noted that Western Union was, "brave for taking on a complex social issue (migration), and for leveraging its extensive network to make far-reaching and sustainable impact." Western Union services, including an expanding product portfolio, are available via almost a half million Agent locations, call centers, mobile, and a growing online presence.

"Western Union, through the *Our World, Our Family* program, provides a remarkable example of how effective corporate philanthropy can be when it aligns with the core business," said Margaret Coady, executive director, CECP. "It's easy to underestimate the tremendous commitment it takes from a company and its partners for an initiative to accomplish what it set out to do. It's fitting to announce the program's remarkable impact on International Corporate Philanthropy Day."

The *Our World, Our Family* program rallied key stakeholders, with as much as 57 percent of employees annually donating to support the program and volunteering tens of thousands of hours for nonprofits worldwide. More than 350 Western Union® Agents, who live and work in the communities the company serves, also rolled up their sleeves to make a difference.

Through strategic relationships with organizations such as [Mercy Corps](#), the [United Nations](#) and [USAID](#), the *Our World, Our Family* program helped educate tens of thousands of students to join the workforce, create jobs via small business assistance, and prepared workers to convert wages to wealth via financial literacy training. It also helped rebuild lives and livelihoods following 62 disasters around the world.

"Western Union's business is evolving to meet changing market needs, and our social programs must evolve as well," said Patrick Gaston, president, [The Western Union Foundation](#). "Few issues matter more to our consumers than ensuring the success of the next generation. The past five years have shown us that education is one of the surest paths to a better future. We are leveraging our learnings from the *Our World, Our Family* program as we implement our next big community commitment – Education for Better."

Announced at the [UN General Assembly](#) in September 2012, [Education for Better](#) is a three-year commitment to help meet global educational goals through grants, cause marketing, advocacy, employee engagement, and products that facilitate education. The program includes a commitment of \$10,000 per day for more than 1,000 days to help advance educational goals, with a focus on secondary and vocational training.

BY MR. FREEDENBERG:

9

Q. Could you state your full name, please.

10

A. John Augustus Paul, IV.

11

Q. Mr. Paul, what is your business address?

12

A. It would be -- the exact address is 76th Street,  
13 Grand Rapids, Michigan.

14

Q. By whom are you employed?

15

A. SpartanWash Company.

16

Q. And how long have you been employed by that  
17 company?

18

A. Since November 19th of 2013.

19

Q. Now, before we go further, I want to give you a few  
20 instructions about how we're going to proceed  
21 today. We were introduced before the deposition.  
22 As you know, my name is Harvey Freedenberg, and I  
23 represent Ahold Licensing, which is the registrant  
24 of the trademark that's at issue in this  
25 proceeding.

1 testify on the general subject matter that's  
2 identified in these topics? And I'm sorry the page  
3 is not numbered, but it's the two pages that  
4 comprise Schedule A.

5 **A. Yes.**

6 **Q. You are?**

7 **A. Yes.**

8 **Q. All right. Are you aware that depositions were**  
9 **taken in August of two Ahold employees named Tracy**  
10 **Pawelski and Debbie Hill?**

11 **A. Yes.**

12 **Q. So you've not reviewed those deposition**  
13 **transcripts?**

14 **A. No.**

15 **Q. Now, you said you are employed by SpartanNash since**  
16 **November 2013. Is that correct?**

17 **A. Correct.**

18 **Q. Where were you employed before that time?**

19 **A. I was employed by the Nash-Finch Company for**  
20 **approximately 13 years prior to that.**

21 **Q. And what was your position with Nash-Finch?**

22 **A. At the end it was Vice President of Marketing and**  
23 **Advertising. I started as Director of Private**

25 **my area of responsibility.**

1 Q. What is your current position with SpartanNash?

2 A. Vice president of Private Brands.

3 Q. Who do you report to in that position?

11 Markets, Norristown, Pennsylvania, for three years.  
12 Prior to that I worked for Rich Foods for about a  
13 year and a half. Rich Foods had purchased Superide  
14 Foods, which is where I spent about 13 years, in  
15 Harrisburg. Actually, Shiremanstown, Pennsylvania.

16 Q. So would it be accurate to say that your entire  
17 work experience has been in the retail food  
18 business/supermarket business?

19 A. Retail/wholesale.

20 Q. What are your duties as Vice President of Private  
21 Brands for SpartanNash?

1 Q. Are you aware that Nash-Finch is challenging the  
2 registration of Ahold Licensing for a mark known as  
3 Our Family Foundation?

4 A. I am.

5 Q. Do you have an understanding of what the business  
6 or the activities are of Ahold's Our Family  
7 Foundation?

8 A. Not all. I know just what they're naming it.

9 Q. Do you have any general understanding of exactly  
10 what it is Our Family Foundation does?

11 A. Just -- not really, no.

12 Q. I'll show you a document we've marked as Exhibit 3,  
13 and for the record, this document is Petitioner's  
14 Supplemental Responses to Registrant's First Set of  
15 Interrogatories.

16 A. Uh-huh.

17 Q. Have you seen this document before?

18 A. Yeah, this one I remember seeing.

19 Q. If you go to the very last page of that document,  
20 numbered page 22, it's entitled Verification. This  
21 is not signed but your name appears below that. It  
22 says John Paul, VP Category Management and Private  
23 Brands.

24 A. Uh-huh.

25 Q. Do you know if you ever signed a document like this

1 one?

2 **A. I don't recall.**

3 **Q. Were you involved in providing information that**  
4 **went into the answers to the interrogatories that**  
5 **are in Exhibit 3?**

6 **A. Yes.**

10 BY MR. FREEDENBERG:

11 **Q. Mr. Paul, if you would, please, take a look at**  
12 **Exhibit Number 4.**

13 **A. Uh-huh.**

14 **Q. And we may refer to other documents that have this**  
15 **designation so I'll point it out to you. In the**  
16 **lower right-hand corner, do you see a number that**  
17 **says NFAH and the number 0003142?**

18 **A. Yes.**

19 **Q. I will represent to you that that was an**  
20 **identification number that was placed on documents**  
21 **that were provided to us by Nash-Finch's counsel.**

22 **So looking at Exhibit Number 4, have you ever**  
23 **seen that document before?**

24 **A. I don't recall if I've seen it, no.**

25 **Q. The first paragraph, second sentence says, "The**

1 following is an overview of the Labels for Learning  
2 program and the requirements to help supply the  
3 needed materials for our children's education."

4 And then it proceeds, as I understand this,  
5 and correct me if I'm wrong, to describe how this  
6 program works. Is that correct?

7 **A. Correct.**

8 **Q.** Is it correct to say that the primary focus of this  
9 program is to raise money for schools, churches,  
10 and/or organizations to make a difference in the  
11 education of children? Is that right?

12 **A. Yes.**

13 **Q.** Are there any other purposes associated with the  
14 Labels for Learning program?

15 **A. No. That's its primary purpose.**

16 **Q.** And you said this program has been in place for  
17 eight years?

18 **A. Approximately.**

19 **Q.** Is it the plan to continue the program in  
20 essentially its current form going forward?

21 **A. It is.**

22 **Q.** Do you know of any plans to change any aspect of  
23 the Labels for Learning program?

24 **A. We're talking right now about looking at the labels  
25 program on the Spartan side of the business and**

1 Q. The NFC Foundation is identified as Nash-Finch  
2 Company's Charitable Giving Arm. Is that an  
3 accurate description?

4 A. Yes.

5 Q. And that paragraph goes on to state, I'm quoting  
6 now from the last sentence, "The NFC Foundation has  
7 long-assisted organizations addressing hunger  
8 issues, including Catholic Charities, Emergency  
9 Food Self Network, Hope for the City, Loaves &  
10 Fishes, Open Arms of Minnesota, and food banks  
11 throughout the many states in which Nash-Finch  
12 operates distribution centers."

13 Is that your understanding of what the  
14 foundation has done since you've been involved with  
15 the company?

16 A. Yes.

17 Q. Has the foundation, through it's financial  
18 contributions, supported anything other than these  
19 organizations addressing hunger issues as the press  
20 release describes it?

21 A. I'm not sure what all the organizations are that  
22 they support, and if this is a total list or a  
23 partial list, I don't know.

24 Q. But the foundation has a list, obviously, of all

MR. FREEDENBERG: Back on the record.  
Mr. Paul, I do have a few more questions for you.

EXAMINATION (CONT.)

BY MR. FREEDENBERG:

**Q.** Talking specifically about the Labels for Learning program, has that program ever provided charitable contributions for any type of medical research programs?

**A.** No.

**Q.** You did say that it has provided support for disaster relief programs.

**A.** The Our Family brand.

**Q.** The Our Family brand, right.

**A.** Not specifically Labels for Learning.

**Q.** Correct. So can you give me an example of a recent disaster where Our Family products were donated?

**A.** I know during Katrina we donated product. Whenever there is a disaster, a hurricane in the southeast or a tornado that hits a town, the donation is many times with the Our Family product through the Our Family brand.

**Q.** Is that true whether or not there is actually a

1 point?

2 A. I don't know. I don't know when, so I don't know a  
3 date.

4 Q. Do you understand that the basis for this  
5 proceeding that brings us here today is that it's  
6 Nash-Finch's contention that consumers are likely  
7 to be confused by Ahold's use of the Our Family  
8 Foundation mark for the activities of Our Family  
9 Foundation?

10 Can you explain to me as the representative of  
11 Nash-Finch what the basis is for Nash-Finch's  
12 belief that there is likely to be confusion as a  
13 result of that?

14 MS. KLIEBENSTEIN: Objection. Calls for  
15 a legal conclusion. You can answer.

16 THE WITNESS: Specifically from the  
17 consumer's perspective?

18 BY MR. FREEDENBERG:

19 Q. Well, I guess from any perspective that you care to  
20 articulate. If there is something other than the  
21 consumer perspective, then certainly I want to know  
22 that.

23 A. From the consumer's perspective, we would think

## Nash Finch Company

### Nash Finch Company and its CEO, Alec Covington, Challenge Other Twin Cities Businesses to Match Truck Load Donations of Food for the Hungry

MINNEAPOLIS (May 21, 2009) – Nash Finch Company (NASDAQ: NAFC) today announced that Chief Executive Officer Alec Covington and his wife Gail are donating a truckload of food to Hope For The City, a Twin Cities-based nonprofit, for distribution to local food shelves and agencies. Nash Finch Company, through its NFC Foundation, plans to match the Covingtons' personal contribution by donating an additional truckload of food. Approximately 44 tons of food will be distributed through Hope For The City as a result of these two donations.

"Gail and I have long believed we each have the responsibility to give back to our communities, to the level of our abilities," stated Alec Covington, Nash Finch CEO. "The urgent need to fill our communities' food shelves was brought home to me last week when the Nash Finch senior executive team and I visited the Dorothy Day Center in Saint Paul. We enjoyed lunch with the Center's guests, heard first hand about the great need in our communities, and witnessed the volunteerism of the people who had been served by the Center. When we toured the Dorothy Day Center's food bank area and saw the empty shelves, I knew it was a time for immediate action."

Brian Numainville, Chair of the NFC Foundation – Nash Finch Company's charitable giving arm – commented, "There are many people across Minnesota who do not have enough to eat and the need has been magnified by the current economic climate. We are very pleased to support the Covingtons' call to action for additional donations to help the hungry in our community. The NFC Foundation has long-assisted organizations addressing hunger issues including Catholic Charities, Emergency Food Shelf Network, Hope For The City, Loaves & Fishes, Open Arms of Minnesota, and food banks throughout the many states in which Nash Finch operates distribution centers.

Hope For The City will distribute the donated food to community partners and food shelves. A brief ceremony will take place at 1:30 p.m. on June 4, 2009, at the Hope For The City warehouse located at 7003 Oxford Street in St. Louis Park, Minnesota.

#### The Challenge

According to Hunger Solutions Minnesota, one in seventeen Minnesotans relies upon local food shelves to help feed his or her family. Last year, there were 2 million visits and 47 million pounds of food distributed at Minnesota's 300 food shelves. There has been a 62 percent increase in visits to food shelves since 2000 and in 2009 alone, the visits have doubled and even tripled.

"I passionately believe that this is the time for action," continued Covington. "And so today, I challenge other business leaders in the Twin Cities area to personally join Gail and me in this effort and make a donation."

"Associates in the Minneapolis Nash Finch office are currently conducting a food drive to support hunger needs in the Twin Cities," Numainville explained. "The Foundation has issued a challenge to our associates to match the Covingtons' gift of a truckload of food. I am pleased to announce that the Company, through the NFC Foundation, will match the employees' donations toward filling that truckload."

Megan Doyle, Co-Founder of Hope For The City expressed gratitude for the donations: "We want to extend our heartfelt thanks to Alec and Gail Covington, Nash Finch Company, and the NFC Foundation for taking a leadership role regarding the important issue of hunger. We hope that others in the Twin Cities business community rise to the occasion and join with Nash Finch and the Covingtons by donating food to help those without enough to eat."
