v.

M22, LLC

Jennifer Krisp, Interlocutory Attorney:

Proceedings are suspended pending disposition of Petitioner's motion for summary judgment filed August 27, 2015. Any paper filed during the pendency of this motion which is not relevant thereto will be given no consideration.¹ See Trademark Rule 2.127(d).

In addition to tolling the time to respond to outstanding discovery requests, suspension of proceedings tolls the time for parties to make required disclosures. See TBMP § 528.03.

The motion for summary judgment will be decided in due course.

¹ The Board notes Docket #40, which is amended proof of service, and which appears to supersede the proof of service that was filed with the motion for summary judgment. The Board construes the date of service of the motion for summary judgment as the date indicated in Docket #40, that is, August 27, 2015.

Petitioner's two filings of proof of service of its responses to discovery, filed on August 17, 2015 and September 1, 2015, are noted. Inasmuch as a party need not file proof of service of responses to discovery, the filings were unnecessary.
