ADDENDUM TO PETITIONER EDGE GAMES, INC.'S OPPOSITION  
TO REGISTRANT RAZER (ASIA-PACIFIC) PTE LTD'S MOTION FOR  
JUDGMENT, OPPOSITION TO MOTION TO COMPEL DISCOVERY  
AND OPPOSITION TO MOTION TO SUSPEND PROCEEDINGS.

Petitioner Edge Games Inc, respectfully requests that the Board please exercise its discretion to consider this minor addendum to its main Response to motion.

Petitioner simply wishes to add a request for sanctions against Registrant: while Petitioner believes it is clear that Registrant used its knowledge of TTAB procedure to "work the system" (by ensuring part of its motion was stated to be for judgment rather than just compelling discovery, solely in order to gain suspension and hence the extension of time it was really seeking), if the Board believes that there is any suggestions whatsoever that Registrant tried to use (abuse) the system in this way, then it would be fair and equitable for Registrant going forward to be required -- as Petitioner is -- to gain permission before filing any future motion.

Respectfully submitted:

By:
