v.

Halo2Cloud, LLC

**Cheryl S. Goodman, Interlocutory Attorney:**

Petitioner's counsel filed, on August 18, 2014, a request for Board participation in the parties' discovery conference. The parties are also involved in Opposition No. 91216854 for which Board participation in the discovery conference also has been requested.

For judicial efficiency, the discovery conference for this cancellation proceeding will be handled concurrently with the previously scheduled discovery conference involving Opposition No. 91216854, which is set for Wednesday, August 27, 2014 and time of 4:00 PM, EDT/ 1:00 PM PDT.

The parties should be prepared to discuss the various topics set forth in the notice of institution with respect to both proceedings.

Given the timing of the conference, this order will not be mailed.
