v.

CheyTac USA LLC

Elizabeth A. Dunn, Attorney:

The Board notes Respondent's May 5, 2016 communication advising that Petitioner no longer responds to Respondent's emails or phone calls regarding the parties' settlement agreement.

Proceedings have not been suspended for settlement negotiations, and would not be so suspended absent the agreement of the parties. *See MacMillan Bloedel Ltd. v. Arrow-M Corp.*, 203 USPQ 952, 953 (TTAB 1979) (order suspending proceedings for settlement vacated once it came to Board's attention that adverse party objected to suspension on such basis); and TBMP 510.03. Accordingly, the parties remain subject to the Board's last order requiring the exchange of initial disclosures (to the extent not already served) and the service of responses to any outstanding discovery requests.

Dates remain as set by the Board's April 6, 2016 order.
