**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

In the matter of Trademark Registration No. 4624401
For the mark:

Registration Date of October 21, 2014

Guess? IP Holder L.P.		Cancellation No.
	Petitioner,	
v.		PETITION TO CANCEL
Knowluxe LLC		
	Respondent.	

Guess? IP Holder L.P., a Delaware limited partnership, whose address is 1444 South Alameda Street, Los Angeles, California 90021 (hereinafter "Guess" or "Petitioner"), believes that it is being damaged and will continue to be damaged by the existence of United States Trademark Registration No. 4624401 and hereby petitions to cancel the registration.

As grounds for the cancellation, Petitioner alleges:

1. Petitioner, through its predecessors and related companies has been and is now engaged in the manufacture and sale of a wide variety of clothing, apparel, fashion and other consumer products, as well as the retailing of these products through its stores and e-commerce websites. More recently, Petitioner has engaged in large scale e-commerce through its mobile phone applications, and Petitioner has a highly active social media presence.

2. Since long prior to Respondent's priority date, Petitioner has continuously and extensively used in commerce various marks incorporating an Inverted Triangle Design, alone and in combination with other terms and designs (hereinafter the "Inverted Triangle Design

Marks"), in connection with the sale of a variety of fashion and consumer products such as apparel, jewelry, watches, leather goods, eyewear, fragrances, stationery, bags, retail store services, and e-commerce. In addition, since prior to Respondent's priority date, Petitioner has continuously used one or more of the Inverted Triangle Design Marks in connection with social networking sites, including Facebook and Twitter, and in connection with downloadable software in the nature of mobile phone applications for shopping and accessing social networks, as well as social media for the promotion and sales of its broad range of fashion and consumer products.

3. Petitioner is the owner of Registration No. 1858982, issued October 18, 1994 on the Principal Register of an Inverted Triangle Design mark for retail store services in the field of apparel and personal accessories in Class 42. The registration is valid and subsisting and has become incontestable under the provisions of Section 15 of the Trademark Act. Attached hereto as Exhibit 1, and made of record herein, is a copy of the registration certificate for this mark.

4. Petitioner is the owner of Registration No. 2306943, issued January 11, 2000 on the Principal Register of an Inverted Triangle Design mark for a variety of clothing in Class 25. The registration is valid and subsisting and has become incontestable under the provisions of Section 15 of the Trademark Act. Attached hereto as Exhibit 2, and made of record herein, is a copy of the registration certificate for this mark.

5. Petitioner is the owner of Registration No. 2322937, issued February 29, 2000 on the Principal Register of an Inverted Triangle Design mark for a variety of apparel in Class 25. The registration is valid and subsisting and has become incontestable under the provisions of Section 15 of the Trademark Act. Attached hereto as Exhibit 3, and made of record herein, is a copy of the registration certificate for this mark.

6. Petitioner is the owner of Registration No. 3046488, issued January 17, 2006 on the Principal Register of an Inverted Triangle Design mark for a variety of apparel in Class 25. The registration is valid and subsisting and has become incontestable under the provisions of

Section 15 of the Trademark Act. Attached hereto as Exhibit 4, and made of record herein, is a copy of the registration certificate for this mark.

7. Petitioner is the owner of U.S. Registration No. 1546993, issued July 11, 1989 on the Principal Register of the mark GUESS? and Triangle Design for goods in Class 3. The registration is valid and subsisting and has become incontestable under the provisions of Section 15 of the Trademark Act. Attached hereto as Exhibit 5, and made of record herein, is a copy of the registration certificate for this mark.

8. Petitioner is the owner of U.S. Registration No. 1465363, issued November 17, 1987 on the Principal Register of the mark GUESS? and Triangle Design for goods in Class 14. The registration is valid and subsisting and has become incontestable under the provisions of Section 15 of the Trademark Act. Attached hereto as Exhibit 6, and made of record herein, is a copy of the registration certificate for this mark.

9. Petitioner is the owner of U.S. Registration No. 1271896, issued March 27, 1984 on the Principal Register of the mark GUESS? and Design for goods in Class 25. The registration is valid and subsisting and has become incontestable under the provisions of Section 15 of the Trademark Act. Attached hereto as Exhibit 7, and made of record herein, is a copy of the registration certificate for this mark.

10. Through the widespread use and advertising of its Inverted Triangle Design Marks over a long period of time and by virtue of the quality of goods sold in connection with the Inverted Triangle Design Marks, Petitioner has built up a valuable goodwill and reputation in connection with the Inverted Triangle Design Marks, which would be jeopardized by Respondent's use and continued registration of the subject mark of U.S. Trademark Registration No. 4624401.

Likelihood of Confusion

11. Petitioner realleges and incorporates by reference paragraphs 1 through 10, inclusive.

12. Respondent's goods identified in U.S. Trademark Registration No. 4624401 are related to the goods and services listed in Petitioner's trademark registrations identified in Paragraphs 3 through 9 above. Respondent's goods identified in U.S. Trademark Registration No. 4624401 are also related to goods and services distributed, sold and rendered by Petitioner under the Inverted Triangle Design Marks.

13. The subject mark of U.S. Trademark Registration No. 4624401 so resembles Petitioner's Inverted Triangle Design Marks, previously used in commerce and/or registered by Petitioner and not abandoned, as to be likely, when applied to the goods of Respondent, to cause confusion or to cause mistake or to deceive.

Dilution

14. Petitioner realleges and incorporates by reference paragraphs 1 through 13, inclusive.

15. Petitioner has extensively used and marketed the Inverted Triangle Design Marks, and as a result, the Inverted Triangle Design Marks have achieved extensive recognition and are famous in the United States and worldwide.

16. Petitioner's Inverted Triangle Design Marks, including those marks identified in Paragraphs 3 through 9 above, became famous prior to Respondent's date of first use of the subject mark of U.S. Trademark Registration No. 4624401 and/or earliest relevant priority date.

17. Respondent has claimed actual use of the subject mark of U.S. Trademark Registration No. 4624401 in connection with certain goods in the United States. Respondent's actual use of the subject mark of U.S. Trademark Registration No. 4624401 has created a likelihood of dilution by blurring by impairing the distinctiveness of Petitioner's famous Inverted Triangle Design Marks, including those marks identified in Paragraphs 3 through 9 above, causing irreparable injury and damage to Petitioner.

18. If Respondent's registration is allowed to continue, dilution, damage, and/or other injury to Petitioner will continue to occur.

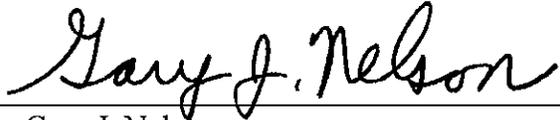

Docket No. 110.2*139/G440

WHEREFORE, Petitioner prays that this Cancellation be sustained and that United States Trademark Registration No. 4624401 be cancelled.

Respectfully submitted,

CHRISTIE, PARKER & HALE, LLP
