Technologies, Inc.*

**Eric McWilliams, Supervisory Paralegal:**

Respondent's consented motion filed February 12, 2016 to extend time to file its answer to the petition to cancel is granted. Trademark Rule 2.127(a).

Accordingly, the answer, conference, disclosure, discovery and trial dates, are re-set as indicated in the February 12, 2016 motion.

While the Board is very amenable for pre-trial resolutions of proceedings, it is noted that the parties have sought and have been granted numerous extensions of time. Having said that, the parties are advised that to seek further extensions, the parties will be expected to provide a report on the progress of their settlement talks to establish good cause.

This report must include: a recitation of issues that have been resolved, issues that remain to be resolved, and a FIRM timetable for resolution. Absent such a report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.
