Ellen Yowell, Paralegal Specialist:

On October 23, 2015, Petitioner filed a notice of final determination of the civil action which occasioned the suspension of all three of the above-captioned proceedings.

Although not consolidated by way of this order, for administrative convenience, the Board has exercised its discretion to issue a joint order with respect to these cancellation proceedings, since the court's order involves the registrations involved in all three proceedings.

Cancellation Nos. 92060901, 92060902, & 92060918

Petitioner's notice was accompanied by an uncertified copy of the Court's Order of Judgment in *Cupid Charities, Inc. v. The Dew, LLC*, U.S. District Court for the District of Colorado, Civil Action No. 1:15-cv-00348-WYD-KLM, directing the USPTO to cancel Registration Nos. 4615907, 4615908, and 4133557, the registrations involved in the above-captioned proceedings.

Any such order affecting a registration must be certified to the USPTO. *See* TMEP § 1610. Inasmuch as an uncertified copy of the court order is not acceptable, the parties are allowed until **THIRTY DAYS** from the mailing date of this order in which to file the required certified copy of the court order.

The involved registrations will be cancelled upon receipt of the certified copy of the court's order.

Pending a response from the parties, proceedings remain suspended.
