v.

Sonoma Wine Company,  
Purple Wine Company, LLC

Jennifer Krisp, Interlocutory Attorney:

On June 27, 2016, Petitioner filed a request for the assigned Board attorney's participation in the parties' required discovery and settlement conference pursuant to Fed. R. Civ. P. 26(f) and Trademark Rules 2.120(a)(1) and (2). TBMP § 401.01 (2016). The Board discussed with Petitioner's counsel the topic of scheduling the conference. A conference with the Board's participation was not held. The deadline for the parties to conference has passed, as has a month's time. This proceeding was not, and is not, suspended.

In view thereof, the Board presumes that the parties have proceeded in accordance with the schedule set forth in their March 31, 2016 consented motion to extend. Accordingly, dates remain as set in the Board's April 7, 2016 order.
