BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

In the matter of Registration No. 3,797,191
For the Mark: NRG-EFFICIENCY & Design
Registered: June 1, 2010

NRG ENERGY, INC.,

Petitioner,

v.

JUST GREAT PROPERTIES LLC.,

Respondent.

Cancellation No. _____

PETITION FOR CANCELLATION

Petitioner, NRG Energy, Inc., a Delaware corporation having its principal place of business at 211 Carnegie Center, Princeton, New Jersey 08540-6213 (“Petitioner”) believes that it is being damaged and will continue to be damaged by U.S. Trademark Registration No. 3,797,191 in Classes 35 and 37 (the “Registration”) and hereby petitions for a cancellation of the same under the provisions of 15 U.S.C. § 1064.

As grounds for this cancellation, Petitioner asserts that:

1. Petitioner is the owner of the NRG name and mark (collectively, the “NRG Mark”). Petitioner adopted and commenced use of the NRG Mark at least as early as 1989 in connection with electricity and energy-related goods and services and has continuously used its NRG Mark since that time. Petitioner also offers energy efficiency and residential energy assessment services under the NRG Mark.

2. Over the years, Petitioner has presented its NRG Mark in a number of different formats and has used variations of the NRG Mark such as NRG ENERGY, ECONRG, REPOWERINGNRG, and CHP+NRG.

3. Since at least as early as 2006, Petitioner has used the ECONRG mark in connection with the renovation of power plants to reduce emissions, as well as power generation using new low-carbon technologies, including nuclear and wind technologies.

4. Since at least as early as 1989, Petitioner has offered under the NRG Mark a wide variety of services in the energy and power industry, including electricity and energy-related consultation, research, management, and utility services for residential, commercial and industrial customers in the United States.

5. As a result of Petitioner's long use and extensive promotion of the NRG Mark, Petitioner has acquired valuable common law rights in the NRG Mark throughout the United States.

6. In accordance with federal law, Petitioner has registered its NRG Mark, as well as variations and related logo formats thereof, on the Principal Register of the United States Patent and Trademark Office and obtained numerous federal registrations therefor. Representative registrations include (among others):

These registrations are all valid and enforceable, and U.S. Registration No. 2,182,531 is incontestable pursuant to 15 U.S.C. § 1065. True and correct printouts from the TSDR database for each of these registrations are attached as Exhibit A.

7. Due to Petitioner's long use and extensive promotion of the NRG Mark, the consuming public in the United States widely recognizes and associates the NRG Mark with

Petitioner and use the NRG Mark to distinguish the source or origin of Petitioner's goods and services.

8. Respondent Just Great Properties LLC. ("Respondent") is the owner of record for Registration No. 3,797,191 for the mark NRG-E-FFICIENCY & Design ("Respondent's Mark") for use in connection with "Consultation in the field of energy efficiency; Efficiency experts; Energy auditing; Home energy assessment services for the purpose of determining energy efficiency or usage management; Information in the field of energy efficiency; Matching consumers with professionals in the field of residential and commercial services via computer network" in Class 35 and "Home energy assessment services for the purpose of determining home improvements needed to improve energy use and efficiency; Housing services, namely, repair, improvement, and construction of residential real property; Residential and building construction consulting" in Class 37 ("Respondent's Services").

9. There is no issue as to priority. The application for Respondent's Mark was filed on April 2, 2009 with a claimed first use date of January 1, 2010 and the mark registered on June 1, 2010. In contrast, Petitioner has continuously used the NRG Mark in commerce since at least as early as 1989.

10. Respondent's Mark incorporates Petitioner's NRG Mark in its entirety and

prominently features the NRG Mark in bold-faced font, as shown below:

11. Petitioner offers services under the NRG Mark that are complementary, competing, and/or directly related to Respondent's Services.

12. Respondent's Services are likely to be offered through similar channels of trade as are Petitioner's services under the NRG Mark.

13. Respondent's Services are likely to be sold and marketed to the same or similar consumers as are Petitioner's goods and services under the NRG Mark.

14. Upon information and belief, as of the filing of this Petition for Cancellation, Respondent is not using Respondent's Mark in connection with Respondent's Services in U.S. commerce. "Commerce" as used in this Petition shall mean "commerce" as defined in 15 U.S.C. § 1127.

15. Petitioner has been unable to locate any evidence of current use of Respondent's Mark by Respondent in commerce. Specifically, Respondent's website at <http://nrg-efficiency.com/> is inaccessible, the content at www.nrg-efficiency.com/index.htm does not appear to be actively maintained, and Respondent's other apparent website <http://www.justgreatpropertiesllc.com> is partially inaccessible and does not appear to be actively maintained either.

16. Upon information and belief, Respondent has not used Respondent's Mark in connection with Respondent's Services in commerce in at least the last three years.

17. Upon information and belief, Respondent does not intend to resume use of Respondent's Mark in commerce in connection with Respondent's Services.

18. Upon information and belief, there has been at least one three year period since the Registration issued where Respondent did not use Respondent's Mark in commerce and did not intend to resume use of such mark in commerce.

19. Pursuant to 15 U.S.C. § 1127, non-use of a mark with no intent to resume use constitutes evidence of abandonment. Further, non-use of a mark for three consecutive years constitutes *prima facie* evidence of abandonment. Thus, Respondent is not using Respondent's Mark and has abandoned any rights it had in Respondent's Mark. The corresponding Registration should be cancelled. 15 U.S.C. §§ 1064, 1127.

20. Additionally, Respondent's Mark so resembles the NRG Mark as to be likely, when used on or in connection with Respondent's Services, to cause confusion, or to cause mistake, or to deceive. Purchasers and prospective purchasers are likely to mistakenly believe that the services offered under Respondent's Mark are sponsored, endorsed, or approved by Petitioner, or are in some way affiliated, connected, or associated with Petitioner. Respondent's Registration should therefore be cancelled under 15 U.S.C. § 1052(d).

21. Petitioner has been and will continue to be damaged by registration of Respondent's Mark, because the Registration provides Respondent with a *prima facie* exclusive right to use such mark, along with the other statutory presumptions, and such registration is a source of damage to Petitioner based on Petitioner's extensive use and promotion of the NRG Mark and its enormous goodwill in that mark as described above.

WHEREFORE, pursuant to 15 U.S.C. §§ 1052(d), 1064 and 1127, Petitioner requests that U.S. Registration No. 3,797,191 be cancelled, and that this Petition for Cancellation be sustained.

The filing fee in the amount of \$300.00 required by 37 C.F.R. § 2.6(a)(17) is being paid electronically via credit card with this Petition to Cancel. The Commissioner is authorized to draw on the deposit account of Norton Rose Fulbright US LLP, Account No. 50-

1212/11405651/AMG, in the event that anything prevents the successful completion of electronic payment of the filing fee.
