**Denise M. DelGizzi,  
Chief Clerk of the Board:**

On October 7, 2015, the Board allowed Petitioner time to serve and file an amended petition for cancellation, and allowed Respondent time in which to file an answer to the amended petition. Trial dates were reset by way of that order.

A review of the record reveals that, on November 6, 2015, Petitioner filed its amended petition for cancellation, and on December 7, 2015, Respondent filed an answer thereto.

On November 27, 2015, the Board issued an order acknowledging the amended petition and reset the trial schedule. That order was issued in error and is hereby vacated.

In view thereof, Petitioner's amended petition for cancellation and Respondent's answer thereto are now the operative pleadings in the proceeding.

Trial dates remain as set in the Board's October 7, 2015 order.
